

An all-new collection of
science fiction stories by the
author of *The Wind From Nowhere*
and *The Drowned World*.

J. G. BALLARD

The artwork is a complex, abstract composition. It features a large red panel on the left and a large green panel on the right. In the center, there is a smaller, darker panel with a blue and white figure. The overall style is reminiscent of mid-20th-century abstract art, with bold colors and geometric shapes.
