A Modern Ninety-Five Nancy A. Almodovar, 2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike

They Were Eyewitnesses Nancy A. Almodovar, 2021-07-23 For many of today's Christians their go to style of proclaiming the faith is to share their own experiences While this may be a stepping stone to the conversation we should not remain on our subjective and unprovable experiences Rather Christians should use the pattern set forth in the New Testament by the apostles and evangelists the gospel of Jesus who died was buried and rose to life on the third day according to the Scriptures In this book the sermons of the apostles and evangelists will be looked into to see how they both proclaimed and defended the Christian faith giving all Christians the pattern to follow in their own opportunities to share the one true faith Creedal Apologetics Nancy A. Almodovar, 2021-03-19 The Apostles Creed was used in two distinct ways by the early Christian church

first as a tool to teach new disciples the essentials of the faith and second as a defense for the faith from unbelievers and skeptics alike In the world today many are engaged in apologetics but with their presuppositions and subjective reasoning they offer the world nothing different than their own subjective beliefs Using the Apostles Creed as a guide enables the Christian to give a hope for the faith within using objective truths based on eyewitness testimony This book teaches you how to use the Creed to stay on topic and bring out the essentials of the faith in a concise and graceful manner Dr Almodovar gives a rubber hits the road approach to apologetics offering various scenarios to show how Creedal apologetics is accomplished This simple tool the Apostles Creed once used for defense is dusted off polished up and sharpened so that today's Christians can defend and proclaim the great gospel of Jesus Christ to a world in desperate need of the forgiveness of sins and new life in his name

How to Go from Being a Good Evangelical to a Committed Catholic in Ninety-Five Difficult Steps Christian Smith, 2011-06-09 American evangelicalism has recently experienced a new openness to Roman Catholicism and many evangelicals both famous and ordinary have joined the Catholic Church or are considering the possibility This book helps evangelicals who are exploring Catholicism to sort out the kind of concerns that typically come up in discerning whether to enter into the full communion of the Catholic Church In simple language it explains many theological misunderstandings that evangelicals often have about Catholicism and suggests the kind of practical steps many take to enter the Catholic Church The book frames evangelicals becoming Roman Catholic as a kind of paradigm shift involving the buildup of anomalies about evangelicalism a crisis of the evangelical paradigm a paradigm revolution and the consolidation of the new Catholic paradigm It will be useful for both evangelicals interested in pursuing and understanding Catholicism and Catholic pastoral workers seeking to help evangelical seekers who come to them

The Evangelical Herald, 1914 **Evangelical Feminism and Biblical Truth** Wayne Grudem, 2012-11-30 What does the Bible really teach about the roles of men and women Bible scholar Wayne Grudem carefully draws on 27 years of biblical research as he responds to 118 arguments often levied against traditional gender roles Grudem counters egalitarian and feminist critiques with clarity compassion and precision showing God's equal value for men and women while celebrating the beauty in their differences

Politics According to the Bible Wayne A. Grudem, 2010 Should Christians be involved in political issues This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life including politics Politics According to the Bible is an in depth analysis of conservative and liberal plans to do good for the nation evaluated in light of the Bible and common sense Evangelical Bible

professor and author of the bestselling book *Systematic Theology* Wayne Grudem unpacks and rejects five common views about Christian influence on politics: religion compels religion, exclude religion, all government is demonic, do evangelism not politics, and do politics not evangelism. Instead, he defends a position of significant Christian influence on government and explains the Bible's teachings about the purpose of civil government and the characteristics of good or bad governments. Grudem provides a thoughtful analysis of over fifty specific and current political issues dealing with: The protection of life, Marriage, the family and children, Economic issues and taxation, The environment, National defense, Relationships to other nations, Freedom of speech and religion, Quotas, And special interests. Throughout this book, he makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.

Apostles of Rock Jay R. Howard, John M. Streck, 2014-07-11 *Apostles of Rock* is the first objective comprehensive examination of the contemporary Christian music phenomenon. Some see CCM performers as ministers or musical missionaries, while others define them as entertainers or artists. This popular musical movement clearly evokes a variety of responses concerning the relationship between Christ and culture. The resulting tensions have splintered the genre and given rise to misunderstanding, conflict, and an obsessive focus on self-examination. As Christian stars Amy Grant, Michael W. Smith, DC Talk, and Sixpence None the Richer climb the mainstream charts, Jay Howard and John Streck talk about CCM as an important movement and show how this musical genre relates to a larger popular culture. They map the world of CCM by bringing together the perspectives of the people who perform, study, market, and listen to this music. By examining CCM lyrics, interviews, performances, web sites, and chat rooms, Howard and Streck uncover the religious and aesthetic tensions within the CCM community. Ultimately, the conflict centered around Christian music reflects the modern religious community's understanding of evangelicalism and the community's complex relationship with American popular culture.
