A Peoples Tragedy The Russian Revolution 1891 1924:

A People's Tragedy Orlando Figes, 1998-03-01 On the brink of the 100th anniversary of the Russian Revolution read the most vivid moving and comprehensive history of the events that changed the world It is history on an epic yet human scale Vast in scope exhaustive in original research written with passion narrative skill and human sympathy A People s Tragedy is a profound account of the Russian Revolution for a new generation Many consider the Russian Revolution to be the most significant event of the twentieth century Distinguished scholar Orlando Figes presents a panorama of Russian society on the eve of that revolution and then narrates the story of how these social forces were violently erased Within the broad stokes of war and revolution are miniature histories of individuals in which Figes follows the main players fortunes as they saw their hopes die and their world crash into ruins Unlike previous accounts that trace the origins of the revolution to overreaching political forces and ideals Figes argues that the failure of democracy in 1917 was deeply rooted in Russian culture and social history and that what had started as a people s revolution contained the seeds of its degeneration into violence and dictatorship A People s Tragedy is a masterful and original synthesis by a mature scholar presented in a compelling and accessibly human narrative

A People's Tragedy Orlando Figes, 2017-02-28 Unrivalled in scope and brimming with human drama A People s Tragedy is the most vivid moving and comprehensive history of the Russian Revolution available today A modern masterpiece Andrew Marr The most moving account of the Russian Revolution since Doctor Zhivago Independent Opening with a panorama of Russian society from the cloistered world of the Tsar to the brutal life of the peasants A People s Tragedy follows workers soldiers intellectuals and villagers as their world is consumed by revolution and then degenerates into violence and dictatorship Drawing on vast original research Figes conveys above all the shocking experience of the revolution for those who lived it while providing the clearest and most cogent account of how

and why it unfolded Illustrated with over 100 photographs and now including a new introduction that reflects on the revolution's centennial legacy *A People's Tragedy* is a masterful and definitive record of one of the most important events in modern history *A People's Tragedy* Orlando Figes, 2017-01-26 Unrivalled in scope and brimming with human drama *A People's Tragedy* is the most vivid moving and comprehensive history of the Russian Revolution available today A modern masterpiece Andrew Marr Opening with a panorama of Russian society from the cloistered world of the Tsar to the brutal life of the peasants *A People's Tragedy* follows workers soldiers intellectuals and villagers as their world is consumed by revolution and then degenerates into violence and dictatorship Drawing on vast original research Figes conveys above all the shocking experience of the revolution for those who lived it while providing the clearest and most cogent account of how and why it unfolded Illustrated with over 100 photographs and now including a new introduction that reflects on the revolution's centennial legacy *A People's Tragedy* is a masterful and definitive record of one of the most important events in modern history The most moving account of the Russian Revolution since Doctor Zhivago Independent ***A People's Tragedy*** Orlando Figes, 1998 *People's Tragedy* O Figes, 1997-07-01 ***People's Tragedy*** Orlando Figes, 1997-07-01 *The Whisperers* Orlando Figes, 2007-11-13 Moving from the Revolution of 1917 to the death of Stalin and beyond Orlando Figes re-creates the moral maze in which Russians found themselves where one wrong turn could destroy a family or perversely end up saving it He brings us inside cramped communal apartments where minor squabbles could lead to fatal denunciations he examines the Communist faithful who often rationalized even their own arrests as a case of mistaken identity and he casts a humanizing light on informers demonstrating how in a repressive system anyone could easily become a collaborator BOOK JACKET *The Global Revolution* Silvio Pons, 2014-08-28 *The Global Revolution A History of International Communism 1917-1991* establishes a relationship between the history of communism and the main processes of globalization in the past century Drawing on a wealth of archival sources Silvio Pons analyses the multifaceted and contradictory relationship between the Soviet Union and the international communist movement to show how communism played a major part in the formation of our modern world The volume presents the argument that during the age of wars from 1914 to 1945 the establishment of the Soviet state in Russia and the birth of the communist movement had an enormous impact because of their promise of world revolution and international civil war Such perspective appeared even more plausible in the aftermath of the Second World War and of revolution in China which paved the way for the expansion of communism in the post-colonial world Communism challenged the West in the Cold War by means of anti-capitalist modernization and anti-imperialist mobilization showing itself to be a powerful factor in the politicization of global trends However the international legitimacy of communism declined rapidly in the post-war era Soviet power exposed its inability to exercise hegemony as distinct from domination The consequences of Sovietization in Europe and the break between the Soviet Union and China were the primary reasons for the decline of communist influence and appeal Since communism lost its political credibility

and cultural cohesion its global project had failed The ground was prepared for the devastating impact of Western globalization on communist regimes in Europe and the Soviet Union **Critical Companion to the Russian Revolution, 1914-1921** Edward Acton, V. I. Cherniāev, V. I. Cherniāev, William G. Rosenberg, 1997 Essays by 46 historians reflect the impact of the fall of the Soviet Union on the study of the revolution that birthed it including better access to archives and new opportunities for collaborations between Russian and other specialists They cover the revolution as event actors and the question of agency parties movements and ideologies institutions and institutional cultures social groups identities cultures and the question of consciousness economic issues and problems of everyday life and nationality and regional questions Annotation copyrighted by Book News Inc Portland OR
