A Right To Be Hostile The Boondocks Treasury:

A Right to Be Hostile Aaron McGruder, 2003-09-23 Here s the first big book of The Boondocks more than four years and 800 strips of one of the most influential controversial and scathingly funny comics ever to run in a daily newspaper With bodacious wit in just a few panels each day Aaron serves up and sends up life in America through the eyes of two African American kids who are full of attitude intelligence and rebellion Each time I read the strip I laugh and I wonder how long The Boondocks can get away with the things it says And how on earth can the most truthful thing in the newspaper be the comics From the foreword by Michael Moore *A Right to be Hostile* Aaron McGruder, 2003 *A Right to Be Hostile* Aaron McGruder, 2003-09 Examines life in America with a focus on politics from the perspective of two African American children in over 800 strips *Right to Be Hostile* Erica R. Meiners, 2010-11-01 In *Right to be Hostile* scholar and activist Erica Meiners offers concrete examples and new insights into the school to prison pipeline phenomenon showing how disciplinary regulations pedagogy pop culture and more not only implicitly advance but actually normalize an expectation of incarceration for urban youth Analyzed through a framework of an expanding incarceration nation Meiners demonstrates how educational practices that disproportionately target youth of color become linked directly to practices of racial profiling that are endemic in state structures As early as preschool such educational policies and practices disqualify increasing numbers of students of color as they are funneled through schools as under educated unemployable dangerous and in need of surveillance and containment By linking schools to prisons Meiners asks researchers activists and educators to consider not just how our schools physical structures resemble prisons metal detectors or school uniforms but the tentacles in policies practices and informal knowledge that support naturalize and extend relationships between incarceration and schools Understanding how and why prison expansion is possible necessitates connecting schools to prisons and the criminal justice system and redefining what counts as educational policy **Incorrigibles and Innocents** Lara Saguisag, 2018-10-05 Nominated for Eisner Award Winner of the 2018 Ray and Pat Browne Award Winner of the Charles Hatfield Book Prize from the CSS Histories and criticism of comics note that comic strips published in the Progressive Era were dynamic spaces in which anxieties about race ethnicity class and gender were expressed perpetuated and alleviated The proliferation of comic strip children white and nonwhite middle class and lower class male and female suggests that childhood was a subject that fascinated and preoccupied Americans at the turn of the century Many of these strips including R F Outcault s Hogan s Alley and Buster Brown Rudolph Dirks s The Katzenjammer Kids and Winsor McCay s Little Nemo in Slumberland were headlined by child characters Yet no major study has explored the significance of these verbal visual representations of childhood *Incorrigibles and Innocents* addresses this gap in scholarship examining the ways childhood was depicted and theorized in late nineteenth and early twentieth century comic strips Drawing from and building on histories and theories of childhood comics and Progressive Era conceptualizations of citizenship and nationhood Lara Saguisag demonstrates that child

characters in comic strips expressed and complicated contemporary notions of who had a right to claim membership in a modernizing expanding nation *Teaching Comedy* Bev Hogue, 2023-08-03 From Shakespeare to The Simpsons comedy has long provided both entertainment and social commentary It may critique cultural values undermine authority satirize sacred beliefs and make room for the marginalized to approach the center Comedy can be challenging to teach but in the classroom it can help students connect with one another develop critical thinking skills and engage with important issues The essays in this volume address a rich variety of texts spanning film television stand up cartoons and memes as well as conventional literary works from different places and times Contributors offer theoretical foundations and practical methods for a broad range of courses including guidance on contextualizing the humor of historical works and on navigating the ways that comedy can both subvert and reinforce stereotypes Finally the volume argues for the value of comedy in difficult times as a way to create community and meaning This volume contains discussion of fiction poetry plays and essays by Maya Angelou Jane Austen Aphra Behn Hugh Henry Brackenridge Frances Burney Charles W Chesnutt Roddy Doyle Maria Edgeworth Ben Jonson Anita Loos Emtithal Mahmoud Thomas Middleton Okot p Bitek William Shakespeare Laurence Sterne Jonathan Swift Alma Villanueva Paula Vogel Oscar Wilde John Wilmot and William Wycherley TV shows and films including Crazy Ex Girlfriend The Gold Rush Life Is Beautiful The Marvelous Mrs Maisel The Office Office Space Rick and Morty and South Park works and stand up performances by Aziz Ansari Samantha Bee Dave Chappelle Louis C K Tina Fey Moms Mabley Hasan Minhaj Eddie Murphy Trevor Noah Richard Pryor Issa Rae and Wanda Sykes and visual works and other media including Aaron McGruder s The Boondocks Bill Watterson s Calvin and Hobbes Nick Sousanis s Unflattering Marvel s Hawkeye The Onion YouTube videos advertisements and memes [100 Most Popular African American Authors](#) Bernard A.
