friend's brother and sizzling hot romances with a twist **Billionaire Baby Daddy** Jenny Rose, 2016-10-19 When I went out for my twenty first birthday all I wanted was a few drinks and a night out with my friends but what I ended up with was so much more than what I'd expected. A night of frivolity with the girls soon ended up being a night to remember when we were invited to the VIP area of the hottest club in town to see my favorite DJ and when I met him I knew my life would never be the same. A one night stand and a year later I found myself raising a beautiful baby boy by myself and though he was the greatest blessing I'd ever received money was tight and times were getting pretty hard but I was managing. As luck would have it I ran into Trent Mandrake one day as I was walking and after a brief conversation I informed him of his child. His reaction was the absolute worst and after the uncomfortable encounter he handed me a business card and informed me that he wanted me to have a paternity test done and then we could handle things from there. After the test he made it clear that he didn't want anything to do with us but would help out financially and that was better than nothing at this point but I wanted my son to have his father. I wondered if there were any way that Trent and I could ever make some sort of relationship possible and the more that I saw him the more I wanted to be near him. Could things between the rich and arrogant philanthropist ever work out or would I always just be another bill that he had to pay? Could we ever find that spark that we had on the night we met or was I doomed to want him from afar and be doomed to forever just be nothing more than his son's mother **Kidnapped by**

the Greek Billionaire Rachel Lyndhurst, 2012-02-04 Her mother's illness left Kizzy Dean alone and surrounded by bills and vicious moneylenders. Being swept away to the sun-baked Greek Isle of Rhodes may sound like the makings of a fantasy but for the desperate and penniless Kizzy it's anything but. The brooding billionaire who now owns the restaurant she works and lives in is demolishing her only source of income and the only security she has left. She has no real choice but to go wherever he commands and agree to whatever arrangement he proposes. Greek billionaire Andreas Lazarides is intrigued and mesmerized by the spirited and yet guileless Kizzy. Guilt and sorrow have been his only companions since his sister's death but Kizzy stirs up something inside him. He's unaccustomed to the word no and unwilling to reveal his closely guarded heart so he makes her an offer: a position as his very personal assistant. As desperate as Kizzy is she won't be any man's mistress. But it's only a matter of time before she's forced to decide whether she wants to strangle or ravage her infuriatingly tempting boss **Billionaire Baby Daddy** Jenny Rose, 2015-11-28
