Gibson's Last Stand Doug Feldmann,2013-07-12 During star pitcher Bob Gibson s most brilliant season the turbulent summer of 1968 he started thirty four games and pitched every inning in twenty eight of them shutting out the opponents in almost half of those complete games After their record breaking season Gibson and his teammates were stunned to lose the 1968 World Series to the Detroit Tigers For the next six years as Bob Gibson struggled to maintain his pitching excellence at the end of his career changes in American culture ultimately changed the St Louis Cardinals and the business and pastime of baseball itself Set against the backdrop of American history and popular culture from the protests of the Vietnam War to the breakup of the Beatles the story of the Cardinals takes on new meaning as another aspect of the changes happening at that time In the late 1960s exorbitant salaries and free agency was threatening to change America s game forever and negatively impact the smaller market teams in Major League Baseball As the Cardinals owner August A Busch Jr and manager Albert Red Schoendienst attempted to reinvent the team restore its cohesiveness and bring new blood in to propel the team back to contention for the pennant Gibson remained the one constant on the team In looking back on his career Gibson mourned the end of the Golden Era of baseball and believed that the changes in the game would be partially blamed on him as his pitching success caused team owners to believe that cash paying customers only wanted base hits and home runs Yet he contended the shrinking of the strike zone the lowering of the mound and the softening of the traditional rancor between the hitter and pitcher forever changed the role of the pitcher in the game and created a more politically correct version of the sport Throughout Gibson s Last Stand Doug Feldmann captivates readers with the action of the game both on and off the field and interjects interesting and detailed tidbits on players backgrounds that often tie them to famous players of the past current stars and well known contemporary places Feldmann also entwines the teams history with Missouri history President Truman and the funeral procession for President Eisenhower through St Louis Missouri sports legends Dizzy Dean Mark McGwire and Stan the Man Musial and legendary announcers Harry Caray and Jack Buck Additionally a helpful appendix provides National League East standings from 1969 to 1975 Bob Gibson remains one of the most unique complex and beloved players in Cardinals history In this story of one of the least examined parts of his career his final years on the team Feldmann takes readers into the heart of his complexity and the changes that swirled around him
