Bobby's Journey B. Boyd, 2015-06-03 Bobby s Journey Part 1 The Medicine Wheel A story of love faith and courage Living in the Rocky Mountains of Montana near the Lakota Indian reservation a young settler boy Bobby and his dad Elliott are befriended by the Sioux chief and his family Kicking Eagle a young Indian brave and Bobby have many adventures in the mountains Bobby falls in love with Wind Song the beautiful sister of Kicking Eagle and the daughter of the Sioux chief Bobby and his trusted companions Snuffy a flop eared mule Diamond his faithful dog and a crazy eagle embark on a spiritual journey into the Bear Tooth Mountains Sent by Chief Big Sky on a spirit walk to find the sacred Medicine Wheel and his purpose in life Bobby begins his awesome journey A spiritual encounter with the Great White Wolf and a battle with a giant Rocky Mountain grizzly bear make Bobby s Journey one to remember Only fifty yards separated Bobby from the most ferocious wild animal in the Rocky Mountains the giant grizzly bear With his arms and hands shaking uncontrollably Bobby cocked and raised his Winchester rifle to his shoulder Drawing a deep breath to calm his nervousness he took dead aim at the chest of the grizzly Diamond sometimes you eat the bear and sometimes the bear eats you Before he could pull the trigger on his rifle the Montana monster dropped to all fours Bobby hissed in frustration Lowering the barrel of the rifle slightly to get a better look at what the enormous animal was going to do Bobby and the giant grizzly locked eyes The giant bear let out a vicious bloodcurdling roar as the silver hair on its back stood straight up The snow was six inches deep and still falling when the grizzly started his death run The giant grizzly splashed through the freshly fallen snow gaining speed with every thunderous stroke of his powerful legs and paws Bobby fumbled with his rifle and cowered as he gasped at a ghostly image of Elliott that appeared suddenly between him and the bear P pop he said Elliott seemed to smile and wave Flabbergasted by the image Bobby blinked his eyes but the vision of his dad was still there The massive grizzly burst through the image of Elliott slobbering and roaring Within an instant Bobby s eyes changed from fright to sheer determination as he raised his rifle This bear s for you Pop With lightning speed Bobby discharged five rounds into the galloping monster Not slowing down in the least the enraged wounded grizzly bear continued his death run The bullets barely jerked the shoulders back on the giant Bobby cocked his rifle for the sixth time aimed right between the bear s eyes and pulled the trigger The click of an empty chamber echoed in his ears It was too late to run Bobby closed his eyes and awaited the impact of an enraged fifteen hundred pound twelve foot wild wounded grizzly bear With what he thought was his last breath Bobby prayed Save me O Great Father

At the Garden's Gate Judith Dreyer, 2014-10-01 *At the Garden's Gate* is the story of one woman's personal journey in creating a meadow when going green wasn't an everyday word. As the author follows her passion to learn about medicinal and edible plants, a meadow evolves that supports growth both natural and personal. During this process, she reconnects with her Native American heritage, learning the wisdom of the Medicine Wheel and its teachings. This is a story of partnership with the land, a story of personal discovery and love of nature. Stories, our personal narratives, have meanings on many levels. Using story in the ancient ways of her Native American elders, the author offers insight, wisdom, and conveys an impetus to create connections with nature in our daily lives. We are on the cusp of creating a new Earth, one of collaboration of cooperative effort that recognizes our hearts. One, our soul, can align with The garden becomes our centering place. It beckons us through a gate of new understandings and growth. The garden's gate offers us a doorway into our deeper self. The garden's path offers a way to remember and to be with self in stillness, meandering onto unknown pathways that can twist and turn but are filled with such beauty. For that is who we are, co-creators, one with all of creation

Indian, Black and Irish James V. Fenelon, 2023-04-28 This book traces 500 years of European American colonization and racialized dominance, expanding our common assumptions about the ways racialization was used to build capitalism and the modern world system. Professor Fenelon draws on personal experience and the agency of understudied Native and African resistance leaders to weave a story too often hidden or distorted in the annals of the academy that remains invisible at many universities and historical societies. The book identifies three epochs of racial constructions: colonialism and capitalism that created the USA; Indigenous nations, the first to be racialized on a global scale; African peoples enslaved and brought to the Americas; and European immigrants. It offers a sweeping analysis of the forces driving the invasion, occupation, and exploitation of Native America and the significance of labor in American history provided by Indigenous people, Africans, and immigrants, specifically the Irish. *Indian, Black and Irish* makes major contributions toward a deeper understanding of where Supremacy and Sovereignty originated from and how our modern world has used these socio-political constructions to build global hegemony that now threatens our very existence through wars and climate change. It will be a vital resource to those studying history, colonialism, race, and racism, labor history, and indigenous peoples
