And Then You Were Gone Restoring A Broken Heart After Pregnancy Loss:

And Then You Were Gone Becky Avella, 2010-06 *And Then You Were Gone* is a practical guide to healing after pregnancy loss. It offers real hope to grieving women and equips those who care with the understanding and tools they need to truly be a help. Church ministries, counselors, and medical professionals will benefit from this needed resource. *Hope for Today, Promises for Tomorrow* Teske Drake, 2012 No mother ever expects to grieve the death of her child before or immediately after the child is born. But the National Institute of Environmental Health Sciences reports that as many as 31 percent of all pregnancies end in miscarriage, stillbirth, or infant loss. When the unthinkable happens, where do women turn for help? Written from the perspective of one grieving mommy to another, *Hope for Today, Promises for Tomorrow* is a ten-week study that will encourage and challenge women to delve into a deeper understanding of God's Word. As women engage in biblical teaching, they will learn to embrace God's promises of love, goodness, purpose, comfort, peace, refinement, restoration, hope, and eternity. *Hope for Today* verses peppered throughout each chapter, journaling cues, prayers, and the stories of other women who have experienced loss will help readers move from grieving in silent solitude to living life in the richness of God's love. While other books suggest a one-size-fits-all method for grief management or focus on understanding specific causes of child loss, *Hope for Today, Promises for Tomorrow* offers comfort for the reader whatever her situation by helping her focus on the light of the ultimate Promise: the hope of a Savior, Jesus Christ.

Expecting with Hope Drake, Teske, 2014-08-21 A compassionate, thoughtful reminder of God's promises for joy and peace after loss. You will keep in perfect peace those whose minds are steadfast because they trust in you. Isaiah 26:3 When 31 percent of pregnancies end in loss, it is no surprise that miscarriage, stillbirth, or infant loss brings great grief. Nor is there a shortage of books addressing how to move through and past that sorrow. What is seldom considered, however, is that 85 percent of those women go on to become pregnant again. Yet the complexity of emotions triggered by a pregnancy following loss is rarely addressed. With this book, Teske Drake challenges women to claim joy in the midst of grief when newly expecting and shows them just how to accomplish that. Centered on biblical promises like the one above and focused specifically around promises of peace, this book is a practical guide written by a mother who's been there. Drake acknowledges the torrent of anxiety that replaces the natural joy pregnancy can bring. She avoids painful clichés and works instead to unearth deeper truths. Her tone is gentle, caring, and compassionate, drawing women back to a place of peace and joy both with God and with their current pregnancy. This ten-chapter book includes accompanying devotions, Pregnancy Prayers, personal anecdotes from other mothers who've experienced similar loss, and the Promise journaling prompts to encourage personal application of the promises. Drake reveals She constantly drives the reader back to Scripture, sharing not only promises given but promises fulfilled. Women are offered practical information as well as encouragement and inspiration. With *Expecting with Hope*, Drake provides a deeply needed space for expectant mothers to rediscover the joy and peace of pregnancy.
