Andrew Johnson Americas 17th President Encyclopedia Of Presidents Second:

Presidents and Presidencies in American History Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America's forty five presidents from the first administration to that of Donald Trump. Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City. Some have proved exceptional leaders and others have not. Some have faced serious crises both foreign and domestic. Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month. Each however played a key role in the evolution of United States history. Each of their histories therefore remains a critical civics lesson to consider. This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump. Each chapter includes a timeline, a biographical sketch, a historical overview, and an analytical essay concerning the president and his presidency. Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence. A suggested reading list for further study of each president rounds out each entry. Andrew Johnson

Don Nardo, 2004 Presents a biography of Andrew Johnson **Encyclopedia of the American Presidency, Fourth Edition** Michael Genovese, 2021-04-01 Praise for the first edition: An altogether excellent introduction to the study of the presidency of the United States. Library Journal entries are well written, an excellent addition. American Reference Books Annual: an excellent resource recommended. Booklist: Highly recommended. Choice: The most up to date reference of its kind. Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day. Offering a complete account of the presidency in U.S. history, this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government. Its comprehensive scope spans the relationship between the executive and the other branches of government: court cases, elections, political opponents, scandals, and more. A valuable resource that provides concise information. Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries. Entries include: Bully pulpit, Commander in chief, Economic policy, Executive privilege, Kamala Harris, Impeachment, Iraq War, Thomas Jefferson, Middle East, Military tribunals, New Deal, Oval Office, Franklin D.
