Angels And Quilt Pieces Our Journey With A Katrina Family:

Angels and Quilt Pieces...Our Journey with a Katrina Family Stephanie Ehmen,2007-07-03 This story of one family sponsoring a Katrina family becomes an amazing experience of empathy as the author shares her thoughts and feelings learning what it means to be our brother s keeper The author takes us through the challenges and joys of being there for a family that she and her husband came to love The challenge was How can we be responsible TO this family without being totally responsible FOR them p vii Children's Books in Print R R Bowker Publishing,Bowker,1999-12 Forthcoming Books Rose Army,1999 *Children's Books In Print 1998* Bowker Editorial Staff,R R Bowker Publishing,Bowker,1998 AB Bookman's Weekly ,1992 **Water Line** Patrice Joseph,2014-10-03 Authors tell stories for many reasons One of the reasons for telling this story is to specifically connect with those who shared the same experience Another reason for writing this book is to provide another experience of reference for the topic This is just one story in the amid hundreds of other stories that could also be told The final reason for telling this story is to leave an example or a blueprint for future generations of my family to know the strength and courage of those who came before them I want my children to teach their children and their children s children how to manage life through difficult situations and circumstances I want this story to be an example for one of my favorite words endure Hurricane Katrina was one of the most destructive hurricanes in recent history Its economic loss was well into the billions during the first week Hurricane Katrina started as a depression then tropical storm and in days developed into an intimidating category 4 and 5 hurricane Lives were heavily impacted and changed in New Orleans Louisiana Mobile Alabama and Gulfport Mississippi as the massive hurricane brought heavy winds rains and more than twenty feet of storm surge This book is not intended to dwell or wallow in the past It is meant to review and remember what happened in order to celebrate the victory of moving through and moving past a tragedy I ve learned in life that we can t be so quick to forget overwhelming or difficult life changes without learning the lessons from them The truth is that life happens and we must be willing to deal with accept confront plan solve and move forward when life s most unexpected twists and turns occur This book is also not meant to become deeply involved in the political issues of Hurricane Katrina The politics have already played out and are recorded in history Water Line is simply the story of my family s journey before during and after one of life s roughest moments while also recognizing the different experiences and levels of loss caused by one giant hurricane named Katrina Mississippi Angels in Hurricane Katrina A. P. Call,2010-03 Hurricane Katrina is a story of survival and personal growth People working together to restore the communities they lost This book describes that journey in they eyes of a little girl Together you will see the damages a hurricane can cause and how people cope with their loses in different ways Hurricane Katrina had sustained winds of 175 MPH killed at least 2 000 people and cost 90 Billion Dollars in damages across the United State s Gulf Coast including New Orleans Pearl and Her Gee's Bend Quilt Tangular Irby,2020-12-25 When Pearl schedules a playdate with her friends Sallie and Ella they have no idea they re about to travel

back in time to Gee s Bend Alabama to discover the origin of the beautiful quilts in Grandma s house It doesn t take long for the girls to learn Grandma s quilts are more than pretty pieces of fabric stitched together to keep them warm the history behind the family treasures is rich and bursting with love Pearl and her Gee s Bend Quilt is a journey through art and adventure stitched together through the eyes of young Pearl who dreams of creating a quilt of her own one day Will her friends support Pearl s dreams of making a quilt Has she learned enough to do it And what surprise does Grandma have for the girls that will change everything Find out what happens in the heart warming tale Pearl and her Gee s Bend Quilt

Katrina Chronicles Rhonda K. Gunnell, 2013-04-01 August 29 2005 is a date that will forever be etched in the memory of so many people along the GulfCoast region of Louisiana and Mississippi It was the date that Hurricane Katrina ravaged the lives of so many people leaving destruction and turmoil as she stormed through the area The entire nation watched in horror Follow the journey of one woman and her family who were determined that the beastly hurricane would not have the last laugh Life was difficult For three weeks longer for some the people struggled with no electricity extreme heat limited water no phone service cold food and rationed gasoline Family and friends banded together to overcome the catastrophe Strangers from all across the land flocked in to provide assistance sometimes just offering a shoulder to cry on What can get you through something as horrific as the aftermaths of Katrina For this author it was God s presence It was times that I couldn t feel God s presence as I walked through the terrible valley of shadows Those times were extremely painful for me Even though there were times I couldn t feel my heavenly Father s presence I knew He was there He was walking with me and crying with me and caring for me He gave me the strength that I didn t know I possessed He led me and my family through the darkest of days Others who may be dealing with their own Katrina s can draw hope and strength from the journey described by the author
