

Animal Spirit Guide

The Elephant

If an Elephant shows up, it means:

Make it a point to be of service
in some way to the young,
elderly or those less fortunate than yourself.

Do not let anything stand in the way
of attaining this goal that is so
integral to your purpose.

You have the determination and
persistence required to overcome
the current challenges you're faced
with. Trust your senses, and if
something in your life smells bad,
take the necessary action to do
away with it. Remain loyal to those
closest to you in spite of anyone
questioning their integrity.

It's a good time to renew your sense
of connectedness to the divine.
