The Philosophy of Julia Kristeva Sara G. Beardsworth, 2020-08-18 The Philosophy of Julia Kristeva is the latest addition to the highly acclaimed series The Library of Living Philosophers The book epitomizes the objectives of this acclaimed series it contains critical interpretation of one of the greatest philosophers of our time and pursues more creative regional and world dialogue on philosophical questions The format provides a detailed interaction between those who interpret and critique Kristeva s work and the seminal thinker herself giving broad coverage from diverse viewpoints of all the major topics establishing her reputation With questions directed to the philosopher while they are alive the volumes in The Library of Living Philosophers have come to occupy a uniquely significant place in the realm of philosophy The inclusion of Julia Kristeva constitutes a vital addition to an already robust list of thinkers The Philosophy of Julia Kristeva exemplifies world class intellectual work closely connected to the public sphere Kristeva has been said to have inherited the intellectual throne left vacant by Simone de Beauvoir and has won many awards including the Hannah Arendt Prize for Political Thought Julia Kristeva s autobiography provides an excellent introduction to her work situating it in relation to major political intellectual and cultural movements of the time Her upbringing in Soviet dominated Bulgaria her move to the French intellectual landscape of the 1960s her visit to Mao s China her response to the fall of the Berlin Wall her participation in a papal summit on humanism her appointment by President Chirac as President of the National Council on Disability and her setting up of the Simone de Beauvoir prize honoring women in active and creative fields are all major moments of this fascinating life The major part of the book is comprised of thirty six essays by Kristeva s foremost interpreters and critics together with her replies to the essays These encounters cover an exceptionally wide range of theoretical and literary writing The strong international and multidisciplinary focus includes authors from over ten countries and spans the fields of philosophy semiotics literature psychoanalysis feminist thought political theory art and religion The comprehensive bibliography provides further access to Kristeva s writings and thought The preparation of this volume the thirty sixth in the series was supported by a major grant from the National Endowment for the Humanities [The Versailles Effect](#) Mark Ledbury, Robert Wellington, 2020-12-10 The essays in this volume show that Versailles was not the static creation of one man but a hugely complex cultural space a centre of power but also of life love anxiety creation and an enduring palimpsest of aspirations desires and ruptures The splendour of the Chateau and the masterpieces of art and design that it contains mask a more complex and sometimes more sordid history of human struggle and achievement The case studies presented by the contributors to this book cannot provide a comprehensive account of the Palace of Versailles and its domains the life within its walls its visitors and the art and architecture that it has inspired from the seventeenth century to the present day from the palace of the Sun King to the Penthouse of Donald Trump However this innovative collection will reshape or even radically redefine our understanding of the palace of Versailles and its posterity **Réinventer la collection** Mélanie Boucher, Marie

Fraser, Johanne Lamoureux, 2023-01-25T00:00:00-05:00 Les contraintes de l'impératif vénémentiel se reflètent sur les musées d'art Elles amènent un retour aux collections qui donne lieu de nouvelles pratiques muséales Les différentes réflexions présentes dans cet ouvrage interrogent l'influence de l'impératif sur les collections et analysent des stratégies muséales qui cherchent à les valoriser *Anish Kapoor, Versailles* Alfred Pacquement, Anish Kapoor, Julia Kristeva, 2015 **Anish Kapoor Versailles**
