Andy Stanley Deep And Wide Study Guide:

Irresistible Bible Study Guide Andy Stanley, 2019-01-15 Author and pastor Andy Stanley explains what made the earliest Christian movement so compelling and resilient and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why then isn't it the same with Christianity today? In this six-session video Bible study DVD, video streaming not included, Pastor Andy answers questions like: What did first-century Christians know that we don't about God's Word about their lives about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Andy is deeply concerned with the present-day church and its future, and he believes that many of the solutions to our issues can be found by investigating our roots. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated against all human odds a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world. Defining Moments Study Guide Andy Stanley, 2010-05-19 Face the Truth. Life is full of defining moments. Like landmarks on a road map, these moments mark key points along your life's journey. A defining moment happens when you come face-to-face with a truth that invites you to change the way you live. It demands that you make a decision. And regardless of the choice you make, you will never be the same. In this eight-part companion study guide to the *Defining Moments* DVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture, the kinds of moments many of us will experience in our lifetimes. And if you're willing to look at truth honestly, these moments can change your life forever.

Story Behind the Book While working to develop a series that would introduce people to a new mind set about the way they live their lives, Andy Stanley discovered the influence that defining moments have. Now, after teaching this principle to his staff church and through the extended home study groups of North Point Community Church, this DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah.

The Best Question Ever Study Guide Andy Stanley, 2010-06-09 Can a Simple Question Foolproof Your Life? When it comes to sorting out the complexities of life, only wisdom can reveal the best path. Let's face it: we've all made some pretty dumb decisions in our lives. For most of us, there are chapters in the past we would like to rewrite. There's money we wish we had never spent, relationships we wish we had never started, and perhaps a few invitations we wish we had never accepted. Unfortunately, we can't do anything to reverse the bad decisions of the past. But there is certainly no reason to repeat them either. This six-part DVD and study guide focuses our attention on one crucial question that has the power to

goof proof our decision making from this point forward Prepare yourself You are about to be introduced to a question that will revolutionize the way you make decisions Over the past twenty years speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all over the country Designed for small group or personal use this companion study guide to The Best Question Ever DVD will take you through the process of making wise decisions This study guide includes six lessons Each lesson includes easy to do exercises and discussion questions Story Behind the Book In an effort to help people broken by bad decisions Andy Stanley created a series first called Fool Proof While searching the Bible for answers he discovered the Best Question Ever Now after several years of teaching this principle to his church and through the extended home ministries of North Point Community Church the DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah

Life Rules Study Guide Andy Stanley, 2010-05-26

Everything You Need to Know in Life You Can Learn Here When we were in kindergarten half the fun of living was breaking the rules without getting caught In real adult life however there is nothing fun about broken promises relationships or hearts

In this DVD and study guide from North Point Resources Andy Stanley explains God's set of life rules that can improve current relationships and mend broken ones Every game requires parameters and in this lifelong journey toward heaven it's never too late to learn, relearn and follow the rules God clearly outlines for His people because they set you on the course for success Winners Play by the Rules In kindergarten ignoring the rules was a blast especially if you could get away with it But as adults we understand that rules are for our protection and that when we break God's rules we cause heartache and broken relationships Designed for small group or personal use this companion study guide to the Life Rules DVD clearly explains God's basic set of life rules which when lived hold the power to improve all your relationships It's never too late to learn and follow the parameters God clearly outlines for His people This study guide is complete with a leader's guide and six lessons including easy to do exercises and discussion questions Story Behind the Book A new addition to the North Point Resources brand group from a series taught by Andy Stanley at North Point Community Church *Not in It to Win It* Andy Stanley, 2022-05-10

Is it possible to disagree politically and love unconditionally The reaction of evangelicals to political and cultural shifts in recent years revealed what they value most Lurking beneath our Bible laced rhetoric faith claims books and sermons is a relentless drive to WIN But the church is not here to win By every human measure our Savior lost On purpose With a purpose And we are his body We are not in it to win anything We are in it for something else entirely That something else is what this book is about You'll discover How to take a stand the right way You'll learn how to make your case with a posture of humility and understanding rather than being fueled by the fear of losing something How to view politics through the lens of faith Learn curiously listen intentionally and love unconditionally How the life of Jesus and his teaching applies to modern day challenges in a fresh way The biblical stand may not be what we've been taught Jesus never asked his followers to agree on everything But he did call his followers to obey a new command to love others in the same way he has loved us Instead of asserting our rights or fighting for power we need to begin asking ourselves what does love require of me

Deep and Wide Andy Stanley, 2012-09-25 Nearly 2 000 years ago Jesus started a movement that has grown like wildfire throughout history Author and pastor Andy Stanley draws from Scripture and over 25 years of pastoral experience to bring to life the irresistible nature of this movement known as the Church With surprising candor and transparency pastor Andy Stanley explains how one of America's largest churches began with a high profile divorce and a church split But that's just the beginning *Deep and Wide* provides church leaders with an in depth look into North Point Community Church and its strategy for creating churches unchurched people absolutely love to attend Andy writes Our goal is to create weekend experiences so compelling and helpful that even the most skeptical individuals in our community would walk away with every intention of returning the following week with a friend Later he says I want people to fall in love with the Author of Scripture And while we can't make anyone fall in love we can certainly arrange a date For the first time Andy explains his strategy for preaching and programming to dual audiences mature believers and cynical unbelievers He argues that preaching to dual

audiences doesn't require communicators to dumb down the content According to Stanley it's all in the approach You'll be introduced to North Point's spiritual formation model The Five Faith Catalysts Leaders responsible for ministry programming and production will no doubt love Andy's discussion of the three essential ingredients for creating irresistible environments For pastors willing to tackle the challenge of transitioning a local congregation Andy includes a section entitled Becoming Deep and Wide If your team is more concerned with who you are reaching than who you are keeping Deep it will be a resource you come back to over and over Couldn't be prouder of my son Andy And I couldn't be more excited about the content of this book I wish a resource like this existed when I was starting out in ministry Dr Charles Stanley Founder In Touch Ministries Deep and Wide pulls back the curtain for all of us to see what is required behind the scenes to build a prevailing church I was both challenged and inspired by this book Bill Hybels author of Just Walk Across the Room The most common question I get from pastors is How do I get the people in my church to be open to change From now on my answer will be Read Deep and Wide by Andy Stanley Thanks Andy Great book Craig Groeschel Pastor LifeChurch TV author It How Churches and Leaders Can Get It and Keep It No one has given me more practical handles for establishing a focused vision than Andy Stanley Deep and Wide is a rich resource to help all of us stay intentional about the main thing building a church that reaches people who are far from God Steven Furtick Lead Pastor Elevation Church
