Electric Shock Peter Doggett, 2015-08-27 Ambitious and groundbreaking *Electric Shock* tells the story of popular music from the birth of recording in the 1890s to the digital age from the first pop superstars of the twentieth century to the omnipresence of music in our lives in hit singles ringtones and on Spotify Over that time popular music has transformed the world in which we live Its rhythms have influenced how we walk down the street how we face ourselves in the mirror and how we handle the outside world in our daily conversations and encounters It has influenced our morals and social mores it has transformed our attitudes towards race and gender religion and politics From the beginning of recording when a musical performance could be preserved for the first time to the digital age when all of recorded music is only a mouse click away from the straitlaced ballads of the Victorian era and the coon songs that shocked America in the early twentieth century to gangsta rap death metal and the multiple strands of modern dance music Peter Doggett takes us on a rollercoaster ride through the history of music Within a narrative full of anecdotes and characters *Electric Shock* mixes musical critique with wider social and cultural history and shows how revolutionary changes in technology have turned popular music into the lifeblood of the modern world

Johnny Mercer Glenn T. Eskew, 2013-11-15 John Herndon Johnny Mercer 1909-76 remained in the forefront of American popular music from the 1930s through the 1960s writing over a thousand songs collaborating with all the great popular composers and jazz musicians of his day working in Hollywood and on Broadway and as cofounder of Capitol Records helping to promote the careers of Nat King Cole Margaret Whiting Peggy Lee and many other singers Mercer's songs sung by Bing Crosby Billie Holiday Judy Garland Frank Sinatra Ella Fitzgerald Tony Bennett Lena Horne and scores of other performers are canonical parts of the great American songbook Four of his songs received Academy Awards Moon River Days of Wine and Roses On the Atchison Topeka and the Santa Fe and In the Cool Cool Cool of the Evening Mercer standards such as Hooray for Hollywood and You Must Have Been a Beautiful Baby remain in the popular imagination Exhaustively researched Glenn T. Eskew's biography improves upon earlier popular treatments of the Savannah Georgia born songwriter to produce a sophisticated insightful evenhanded examination of one of America's most popular and successful chart toppers Johnny Mercer Southern Songwriter for the

World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world Eskew contends that Mercer and much of his music remained rooted in his native South being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians At Capitol Records Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music When rock n roll diminished opportunities at home Mercer looked abroad collaborating with international composers to create transnational songs At heart Eskew says Mercer was a jazz musician rather than a Tin Pan Alley lyricist and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience
