Angel The True Story Of An Undeserved Chance:

Angel Angel Cortello, 2013 You don't have to live your life like this he said He put a wad of cash on the bed handed me the key to the hotel room and walked out I never saw the man again He could see something in me that I couldn't see in myself He could see someone better than who I had become After 10 years in recovery Angelena Cortello shares the true story of her life on the street as a prostitute and crack addict She describes her childhood teenage years and young adult life how she became involved in drugs and prostitution and how she found her way out of addiction Topics include HIV Hepatitis B street life crack addiction prostitution arrest jail court drug rehab programs recovery programs life lessons mentoring spiritual life church Christianity **Unbreakable Hearts: A True, Heart-wrenching Story About Victory...Forfeited!**

Earl Dusty Trimmer, 2019-05-16 Earl Dusty Trimmer relates with both skill and personal experience events surrounding our most forgettable and misunderstood war in America's history He brings it all home with his down to earth style and considerable knowledge In *Unbreakable Hearts* Dusty dives into the Vietnamese history and culture and skillfully brings the reader into understanding our Vietnamese enemy's amazing resolve He brilliantly explains the evolution of our Vietnamese enemy over hundreds of years of invasions and wars Always defending their country to remain free became an art In Chapter 7 Dusty describes the Vietnamese women fighters as Hellcats My own experience with the formidable Vietnamese Viet Cong women's skills and expertise closely mirrors Dusty's Hooch girls could plant booby traps in a GI's hooch with a skill and savvy they were forced to learn during decades of on the job training in continuous wars with unwelcomed invaders My own Military Police experience after leaving the infantry revealed these incidents vividly In later chapters Dusty moves into our own veterans profound resolve and toughness North Vietnam's famed General Giap called us an honorable enemy One could suggest from this writing that our enemy taught us well We did things in the Vietnam War the average person would have to go to the movies to believe After reading Trimmer's descriptions I must conclude that indeed this book could be one for the movie industry Dusty Trimmer brings to life our days and nights living and fighting in these foreboding jungle warfare conditions After reading this fine work and reflecting on my own experiences I cut away a little more of the pain Pride swells for having served with all of these wonderful veterans of the Vietnam War Pain for our terrible losses For myself these experiences culminated in wisdom I would otherwise have failed to achieve God bless Dusty for telling our story Forward march Brothers **Athenaeum and Literary Chronicle**, 1871

Foster, Jr., 2021-04-08 This is the true story of a 17 year old kid who quit high school in his junior year to join the Marines After a short cruise with the 6th Fleet in the Mediterranean he was assigned to a rifle company in Vietnam during the heaviest fighting of the war in 1967 and 1968 He went to Vietnam eager to save the world from Communism only to become disillusioned by the lack of progress in the field and mentally exhausted from the intensity of the ground combat Returning in shock from what he had seen and done he was assigned to the most prestigious Marine ceremonial detachment in the world the Special Ceremonial Platoon located at

the oldest post of the Corps Marine Barracks at 8th and I Streets in Washington DC As part of this unit he served at the White House under two Presidents and at ceremonial duties all over DC The contrast from the jungle of Vietnam was startling While fighting constant nightmares of combat he stood before Presidents politicians celebrities and heads of state all the while maintaining the dignity and poise required for his position This book is honest graphic and yet enlightening ending positively For those interested in understanding the Marine Corps and the horror of personal ground combat contrasted with the bright lights and facades of Washington politics this book will not disappoint Reading Rick s chapters on The Barracks 8th I rekindled many fond and not so fond memories of our time together I was a fresh caught second lieutenant charged with the almost impossible task of transforming combat Marines into ceremonial perfectionists For a Marine to leave the mud and blood of Vietnam and report to the most fabled and oldest post of the Corps was something not every Marine could handle physically or emotionally Rick s reaction to the trauma and how he succeeded reminds me of the song Tin Man by America But Oz never did give nothing to the Tin Man that he didn t didn t already have I believe no one gave Rick anything he didn t already have He survived that transition with little help from anyone because he is that kind of Marine To become one of a nine man section responsible for the Marine Corps official colors and all presentations throughout the nation s capital is something only a few Marines can own For those fortunate enough to have watched a Friday Night Parade Rick s vivid description makes that MGM Production come to life No Marine leaves The Barracks untouched by the significance of it all Richard W Foster Jr is living proof of that Colonel Jim Bathurst US Marine Corps Ret
