Gillis, 2022-01-15 As a pastor I have been writing sermons for many years and have found the Bible to be an amazing book and wish to share that with you Perhaps one of the biggest hurdles of us believing the Bible is our attempt to rationalize things If it does not make sense to us then it must not be worth much We tend to say things like The Bible was written by man so it is open to many interpretations Apostle Peter comments on this in 2 Peter 1:20-21 Above all you must understand that no prophecy of scripture came about by the prophet's own interpretation For prophecy never had its origin in the will of man but men spoke from God as they were carried along by the Holy Spirit In bringing you these stories I have for all purposes kept my own interpretations and opinions to myself as much as possible and have provided you with the scripture and encourage you to look them up yourselves Much time has been spent choosing and researching the images for this book These are photographs of original paintings and most are from old masters of the

Renaissance Such artists include Michelangelo Peter Paul Rubens Gustave Dore and Rembrandt By incorporating these wonderful images it makes reading and understanding the Bible a little easier and more fun Bible prophecy has an unparalleled record of accuracy The Old Testament was completed hundreds of years before Jesus was born Many prophecies were made in astonishing detail by the prophets throughout the Bible A prophet could be put to death if he was wrong about a prophecy In fact fulfilled prophecy is one of the distinguishing marks of the Bible authenticating its claim to be the inspired Word of God The Holy Bible consists of sixty six books by forty different authors and over a time period of around 1 800 hundred years and answers all of our questions All we have to do is listen *Brother Swaggart, How Can I Understand the Bible* Jimmy Swaggart,2020-03-19 Jesus said Man shall not live by bread alone but by every Word that proceeds out of the Mouth of God Mat 4 4 The Word of God is pure and simple the single most important thing on the face of the Earth As someone has rightly said Much Bible much Freedom A little Bible a little Freedom No Bible no Freedom In his book Brother Swaggart How Do I Understand the Bible Brother Swaggart has tried his best to address every major Doctrine given to us in the Word of God This is material that is necessary for every Believer to know and understand Hopefully we have addressed these great subjects in the Word of God in such a way to make it simple and easy to comprehend The following are some of the subjects addressed The Doctrine Of The Bible The Doctrine Of Grace The Doctrine Of Justification By Faith The Doctrine Of Our Lord Jesus Christ The Doctrine Of Satan The Doctrine Of Sin The Doctrine Of The Baptism With The Holy Spirit
