Angels Tip Ellie Hatcher Book :

Alafair Burke's Ellie Hatcher Collection Alafair Burke, 2014-06-24 An addictive collection of thrillers from acclaimed New York Times bestselling suspense writer Alafair Burke who draws on details from her own experiences as a criminal law professor and former prosecutor

212 In New York City Nights Are Dangerous Days Are Numbered When NYU sophomore Megan Gunther finds personal threats posted to a website specializing in campus gossip she's taken aback by their menacing tone. Someone knows her daily routine down to the minute and is watching her but thanks to the anonymity provided by the Internet the police tell her there's nothing they can do. Her friends are sure it's someone's idea of a joke but when Megan is murdered in a vicious attack NYPD Detective Ellie Hatcher is convinced that the online threats are more than just empty words. With smooth straight talking partner J.J. Rogan at her side Ellie tries to identify Megan's enemies but she begins to wonder if the coerced murder was more than just the culmination of a cyber obsession. And when Megan's roommate suddenly disappears Ellie and J.J. know they have to find her before another young woman dies.

Angel's Tip A superb crime novel featuring NYPD Detective Ellie Hatcher a strong female protagonist in the tradition of Sara Paretsky's V.I. Warshawski and Marcia Muller's Sharon McCone. Boston Globe Angel's Tip follows Ellie's investigation into the murder of a young college student quite possibly by a member of New York's young moneyed elite. Fans of Lisa Gardner Karin Slaughter Harlan Coben and Sue Grafton will most definitely want to trail along. Never Tell Sixteen year old Julia Whitmire appeared to have everything a famous father a luxurious Manhattan townhouse and a coveted spot at the elite Casden prep school. When she is found dead in her bathtub a handwritten suicide note left on her bed her parents insist that their daughter would never take her own life. Detective Ellie Hatcher will be forced to uncover the truth behind this apparent suicide navigating Julia's intriguing connections to both New York's wealthiest and its most dispossessed.

Angel's Tip LP Alafair Burke, 2008-09-02 In a city full of victims it's hard to choose just one. Fresh faced Indiana college student Chelsea Hart is so excited to spend the final hours of her spring break in the VIP room of an elite New York City club that she remains behind when her girlfriends call it a night. The next morning as her concerned friends anxiously pace their hotel lobby joggers find Chelsea's body in East River Park her wavy blond hair brutally hacked off. NYPD Detective Ellie Hatcher catches the case and homes in on the group of privileged men who were last seen plying Chelsea with free flowing alcohol. But before she can even gather the preliminary evidence the gruesome murder is grabbing headlines and drawing unwanted media attention to the department. So when Ellie builds a tight case against Jake Myers a young hedge fund manager the department brass and the district attorney's office are elated the case will soon be cleared the media will tout the department's quick work and Ellie will be a dream witness at the trial against Myers. But Ellie has her doubts. Chelsea's murder is eerily similar to three other deaths that occurred nearly a decade ago the victims were young female and in each case the killer had taken her hair as a souvenir. Ellie's investigation pulls her into a late night world of exclusive clubs conspicuous wealth and hedonistic consumption. And her

search for the truth not only pits her against her fellow cops but also places her under the watchful eye of a psychopath eager to add the prideful young female detective to his list Wrenching and suspenseful Angel's Tip is an electric thriller that offers a voyeuristic glimpse into the glamorous but dangerous world of New York nightlife This stunning whodunit proves yet again that Alafair Burke knows when and how to drop clues to keep readers at her mercy Entertainment Weekly **Mystery Writers of America Presents The Blue Religion** Michael Connelly, 2024-09-24 A high quality anthology of nineteen original stories that explore a wide range of police experiences Can be enjoyed at one sitting Publishers Weekly Taking us from smoggy Los Angeles to the woods of Idaho from Hawaii at the turn of the twentieth century to the post Civil War frontier these riveting stories trace the perils and occasional triumphs of lawmen and women who put themselves in harm's way to face down the bad guys Some of them even walk the edge of becoming bad guys themselves In T Jefferson Parker's Skinhead Central an ex cop and his wife find unexpected menace in the idyllic setting they have chosen for their retirement In Alafair Burke's Winning a female officer who is attacked in the line of duty must protect her own husband from his worst impulses In Michael Connelly's Father's Day Harry Bosch faces one of his most emotionally trying cases investigating a young boy's death These are hard hitting thrilling and utterly unforgettable stories from some of the best writers in the mystery world **The Note** Alafair Burke, 2025-01-07 A USA TODAY BESTSELLER AS RECOMMENDED ON THE TODAY SHOW AND CBS SUNDAY MORNING A suspenseful story about a vacation in the Hamptons that goes terribly wrong for three friends with a complicated history From the New York Times bestselling author of The Wife and The Better Sister now a Prime Video TV series starring Elizabeth Banks and Jessica Biel Your perfect summer thriller is here already Maureen Corrigan Washington Post I absolutely loved The Note Trust no one in this irresistible page turner Ashley Elston 1 New York Times best selling author of First Lie Wins It was meant to be a harmless prank Growing up May Hanover was a good girl always Well behaved top of her class a compulsive rule follower Raised by a first generation Chinese single mother with high expectations May didn't have room to slip up let alone fail Her friends didn't call her the Little Sheriff for nothing But even good girls have secrets And regrets When it comes to her friendship with Lauren and Kelsey she's had her fair share of both Their bond forged when May was just twelve years old has withstood a tragic accident individual scandals heartbreak and loss Now the three friends have reunited for the first time in years for a few days of sun and fun in the Hamptons But a chance encounter with a pair of strangers leads to a drunken prank that goes horribly awry When she finds herself at the center of an urgent police investigation May begins to wonder whether Lauren and Kelsey are keeping secrets from her testing the limits of her loyalty to lifelong friends What had they gone and done The Note is a page turner of the highest order from one of our greatest contemporary suspense writers Weep No More, My Lady Mary Higgins Clark, 2024-07-23 Elizabeth Lange is determined to unearth the truth about how her beloved sister really died But as glimpses of the dark truth are revealed an unexpected source threatens to engulf her entirely **Where Are the Children?** Mary Higgins
