in British Children's Literature Madelyn Travis, 2013-09-02 In a period of ongoing debate about faith identity migration and culture this timely study explores the often politicised nature of constructions of one of Britain's longest standing minority communities Representations in children's literature influenced by the impact of the Enlightenment the Empire the Holocaust and 9 11 reveal an ongoing concern with establishing maintaining or problematising the boundaries between Jews and Gentiles Chapters on gender refugees multiculturalism and historical fiction argue that literature for young people demonstrates that the position of Jews in Britain has been ambivalent and that this ambivalence has persisted to a surprising degree in view of the dramatic socio cultural changes that have taken place over two centuries Wide ranging in scope and interdisciplinary in approach *Jews and Jewishness in British Children's Literature* discusses over one hundred texts ranging from picture books to young adult fiction and realism to fantasy Madelyn Travis examines rare eighteenth and nineteenth century material plus works by authors including Maria Edgeworth E Nesbit Rudyard Kipling Richmal Crompton Lynne Reid Banks Michael Rosen and others The study also draws on Travis's previously unpublished interviews with authors including Adele Geras Eva Ibbotson Ann Jungman and Judith Kerr *The Cambridge History of Judaism: Volume 8, The Modern World, 1815–2000* Mitchell B. Hart, Tony Michels, 2017-09-28 The eighth and final volume of *The Cambridge History of Judaism* covers the period from roughly 1815–2000 Exploring the breadth and depth of Jewish societies and their manifold engagements with aspects of the modern world it offers overviews of modern Jewish history as well as more focused essays on political social economic intellectual and cultural developments The first part presents a series of interlocking surveys that address the history of diverse areas of Jewish settlement The second part is organized around the emancipation Here chapter themes are grouped around the challenges posed by and to this elemental feature of Jewish life in the modern period The third part adopts a thematic approach organized around the category culture with the goal of casting a wide net in terms of perspectives concepts and topics The final part then focuses on the twentieth century offering readers a sense of the dynamic nature of Judaism and Jewish identities and affiliations *Teaching Jewish American Literature* Roberta Rosenberg, Rachel Rubinstein, 2020-04-01 Offers pedagogical techniques for teaching Jewish American fiction poetry drama graphic novels children's literature and digital texts including considerations of religious and secular Jewish culture race and multicultural contexts immigration the Holocaust gender and sexuality multilingual literary traditions and humor Gives

syllabus suggestions for undergraduate and graduate courses **Colonialism and the Jews in German History** Stefan Vogt, 2022-06-16 Colonialism and the Jews in German History brings together new and path breaking studies on the historical relationship between colonialism and the Jews in Germany The book considers the mutual influences on the situation of the Jews in Germany including attitudes towards Jews and anti-Semitism but also Jewish self-conceptions and the ideology and politics of German colonialism The contributors discuss the ways in which colonial ideology and practice have affected the position of the Jews in Germany and the relationship between anti-Semitism and colonial racism In doing so the volume introduces German colonialism as a relevant context for German Jewish history and it expands the perspective on German colonial history significantly by considering Jews both as distinct objects and also as agents within the field of German colonialism The volume includes studies on the pre-colonial era the phase of active German colonialism since the 1880s and the time after Germany lost its colonies in the First World War All these studies testify to the fact that German Jewish history takes on additional significance if seen as part of a global history of collective relationships Irish Questions and Jewish Questions Aidan Beatty, Dan O'Brien, 2018-08-01 The Irish and the Jews are two of the classic outliers of modern Europe Both struggled with their lack of formal political sovereignty in the nineteenth century Simultaneously European and not European both endured a bifurcated status perceived as racially inferior and yet also seen as a natural part of the European landscape Both sought to deal with their subaltern status through nationalism both had a tangled ambiguous and sometimes violent relationship with Britain and the British Empire and both sought to revive ancient languages as part of their drive to create a new identity The career of Irish politician Robert Briscoe and the travails of Leopold Bloom are just two examples of the delicate balancing of Irish and Jewish identities in the first half of the twentieth century Irish Questions and Jewish Questions explores these shared histories covering several centuries of the Jewish experience in Ireland as well as events in Israel Palestine and North America The authors examine the leading figures of both national movements to reveal how each had an active interest in the successes and failures of the other Bringing together leading and emerging scholars from the fields of Irish studies and Jewish studies this volume captures the most recent scholarship on their comparative history with nuance and remarkable insight **Voices and Silence in the Contemporary Novel in English** Vanessa Guignery, 2009-10-02 This volume examines the various processes at work in expressing silence and excessive speech in contemporary novels in English covering the whole spectrum from effusiveness to muteness Even if in the postmodern episteme language is deemed inadequate for speaking the unspeakable contemporary authors still rely on voice as a mode of representation and a performative tool and exploit silence not only as a sign of absence block or withdrawal but also as a token of presence and resistance Logorrhoea and reticence are not necessarily antithetical as compulsive verbosity may work as a smokescreen to sidestep the real issues while silences and gaps may reveal more than they hide By submitting their texts to both expansion and retention hypertrophy and aphasia writers persistently test the limits of language and its ability to make sense of

individual and collective stories The present volume analyses the complex poetics of silence and speech in fiction from the 1960 s to the present with special focus on Will Self Graham Swift John Fowles Kazuo Ishiguro Jenny Diski Lionel Shriver Mich le Roberts Margaret Atwood Jonathan Safran Foer Salman Rushdie Arundhati Roy Zadie Smith Jamaica Kincaid Ryhaan Shah and J M Coetzee **Translating Canada** Luise von Flotow,Reingard M. Nischik,2007-10-25 In the last thirty years of the twentieth century Canadian federal governments offered varying degrees of support for literary and other artistic endeavour A corollary of this patronage of culture at home was an effort to make the resulting works available for audiences elsewhere in the world Current developments in the study of translation and its influence as cultural transfer have made possible new assessments of such efforts to project a national image abroad Translating Canada examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers theatres and other culture brokers It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers novelists and poets playwrights and children s authors literary and social critics Above all the book maps for its readers a number of significant though frequently unsuspected roles that translation assumes in the intercultural negotiation of national images and values The chapters in this collection will be of value to students teachers and scholars in a number of fields Informed lay readers too will appreciate the authors insights into the different ways in which translation has contributed to German reception of Canadian books and culture Translating Canada examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers theatres and other culture brokers It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers Published in English **The Literary Imagination in Israel-Palestine** H. Cohen,2016-04-30 This book presents a cutting edge critical analysis of the trope of miscegenation and its biopolitical implications in contemporary Palestinian and Israeli literature poetry and discourse The relationship between nationalism and demographics are examined through the narrative and poetic intrigue of intimacy between Arabs and Jews drawing from a range of theoretical perspectives including public sphere theory orientalism and critical race studies Revisiting the controversial Brazilian writer Gilberto Freyre who championed miscegenation in his revisionary history of Brazil the book deploys a comparative investigation of Palestinian and Israeli writers preoccupation with the mixed romance Author Hella Bloom Cohen offers new interpretations of works by Mahmoud Darwish A B Yehoshua Orly Castel Bloom Nathalie Handal and Rula Jebreal among others
