Shakespeare Among the Animals B. Boehrer,2002-03-21 Shakespeare Among the Animals examines the role of animal metaphor in the Shakespeare stage particularly as such metaphor serves to underwrite various forms of social difference Working through texts such as Shakespeare s Midsummer Night s Dream Jonson s Volpone and Middleton s A Chaste Maid in Cheapside different chapters of the study focus upon the allegedly natural character of femininity masculinity and ethnicity while a fourth chapter considers the nature of the natural world itself as it appears on the Renaissance stage Addressing each of these topics in turn Shakespeare Among the Animals explores the notions of cultural order that underlie early modern conceptions of the natural world and the ideas of nature implicit in early modern social practice People Are Animals Too Shona Kowtecky,2024-05-14 Discover a fresh perspective by stepping into another s paws Chase what you want Advocate for your needs Set boundaries and goals Learn to let go Take care of yourself This can be good advice but what if you don t know what you want Or need What boundaries are worth setting for you Or how to decide what to let go of and what to hold on to What if focusing on yourself seems uncomfortable selfish unnecessary or a bit too fluffy As a veterinarian Dr Shona Kowtecky has spent almost 20 years learning about paying attention to advocating for and taking care of thousands of animals while simultaneously watching thousands of people struggle to do the same for themselves Whether or not you are a pet parent or animal lover self awareness is a key starting point for optimal health and a good quality of life yet it s often overlooked oversimplified or too ambiguous to be practical People Are Animals Too provides a structured and creative approach to encourage self examination compassion and curiosity through insightful questions and humorous anecdotes centered around the question What if we cared for ourselves the way we care for the animals we love Or better yet what if we simply remembered that people are animals too Piebald and the Parade of Small Animals Gordon J. Eaton,2009-09 A great Wind Storm struck the Forrest Village but because all living quarters were built underground there was no loss of life The Animal Facility was destroyed but some of the animals had survived the storm Come over here Piebald said You are welcome to live with us Riflemen were hired to kill survivors of the Great Wind Storm White Angel told the Riflemen it was against the law to shoot Forrest Animals The Riflemen left and returned with leaflets saying NO TRESPASSING NO SHOOTING ALLOWED The Village Animals were saved Piebald taught The Villagers about The Great Creator Pierre a French mouse was visiting the area and heard about the Animal Village He was impressed by the work of the Village Elders Pierre

invited Piebald to help him establish a Village in Paris France Piebald's youngsters persuaded their Da to let them go to France instead Pierre taught them French and they taught Pierre to speak their Village language Joseph and Mary two Irish mice staying at the Paris Village heard the Piebald Storytellers teachings of the Creator God and they asked Pierre to help them fly from Paris to the Forrest Village They wanted to return to Ireland and teach the Irish animals about the Great Creator Joseph and Mary asked Piebald and Alpha to go with them The book closes with the four mice on their way to Paris and then on to Ireland Dr Gordon J Eaton is a Ph D Biologist He graduated from Brown University Providence R I He completed a two year post doctoral research program at the University of California Davis Campus He investigated problems in developmental genetics and genetic diseases including Type II Diabetes and Immunological Diseases Dr Eaton is a Christian and a Member of Calvary Presbyterian Church Willow Grove PA
