The Pancatantra Visnu Sarma, 2006-08-31 First recorded 1500 years ago but taking its origins from a far earlier oral tradition the Pancatantra is ascribed by legend to the celebrated half mythical teacher Visnu Sarma Asked by a great king to awaken the dulled intelligence of his three idle sons the aging Sarma is said to have composed the great work as a series of entertaining and edifying fables narrated by a wide range of humans and animals and together intended to provide the young princes with vital guidance for life Since first leaving India before AD 570 the Pancatantra has been widely translated and has influenced a cast number of works in India the Arab world and Europe including the Arabian Nights the Canterbury Tales and the Fables of La Fontaine Enduring and profound it is among the earliest and most popular of all books of fables

Animals with Attitude Marcie Aboff, 2006-05 When Verne the turtle and his woodland friends wake up from their hibernation they find a suburban neighborhood encroaching on their forest home Verne's first instinct is to retreat into his shell and leave but then he meets RJ a con artist racoon RJ views suburbia as a treasure trove of goodies waiting to be

discovered And since he owes a very angry bear a lot of food the opportunity is too good to pass up especially if he can convince his new friends to help him **Wild Animals, Their Nature, Habits, and Instincts** Sister Mary ROBERTS,1836

Domestic Life and Domestic Tragedy in Early Modern England Catherine Richardson,2013-07-19 In a theatre which self consciously cultivated its audiences imagination how and what did playgoers see on the stage This book reconstructs one aspect of that imaginative process It considers a range of printed and documentary evidence the majority previously unpublished for the way ordinary individuals thought about their houses and households It then explores how writers of domestic tragedies engaged those attitudes to shape their representations of domesticity It therefore offers a new method for understanding theatrical representations based around a truly interdisciplinary study of the interaction between literary and historical methods The plays she cites include Arden of Faversham Two Lamentable Tragedies A Woman Killed With Kindness and A Yorkshire Tragedy **The Complete Works of John Muir (Illustrated Edition)** John Muir,2023-12-03 In The Complete Works of John Muir Illustrated Edition readers are invited into the poetic and passionate prose of one of America s foremost naturalists and conservationists This meticulously curated collection showcases Muir s writings on nature intertwined with rich illustrations that evoke the breathtaking landscapes he so fiercely defended Muir s literary style blends personal narrative with scientific observation reflecting the Romantic era fascination with nature while also manifesting an early environmental consciousness that resonates throughout modern ecological discourse Each piece not only emphasizes the beauty of the natural world but also critiques humanity s disconnection from it making the collection both a literary treasure and a manifesto for conservation John Muir 1838 1914 often referred to as the Father of the National Parks founded the Sierra Club and played a pivotal role in the establishment of numerous national parks including Yosemite His experiences as a wanderer and naturalist profoundly influenced his writings revealing an intimate relationship with nature that underscored the urgency of environmental preservation a theme that echoes throughout his works Muir s affinity for the sublime in nature stemmed in part from his Scottish upbringing which instilled a deep appreciation for the wilderness This illustrated edition is highly recommended for anyone interested in environmental literature history or the intricate relationship between humanity and nature Each page not only invites a deeper understanding of Muir s philosophy but also inspires a renewed commitment to environmental stewardship making it essential reading for both scholars and casual readers alike **The Animal's Agenda** ,2001 Animals ,1911 *Our Dumb Animals* George Thorndike Angell,1876
