Adaptations Deborah Cartmell,Imelda Whelehan,2022 *Adaptations Critical and Primary Sources* is a three volume reference resource that brings together over 80 landmark texts in adaptation studies Volume One covers the history of adaptation studies by plotting the prehistory of the field beginning with Vachel Lindsay s classic *Art of the Moving Picture* 1915 through Virginia Woolf s classic essay on *sThe Cinema* through to some of the most important critical and theoretical interventions up until the 1990s when the area really emerges as a critical force in the academy Volume Two collects essays from the last 25 years showing how the scholarly legacy laid out in Volume One still has a profound impact on adaptation studies today while charting the process of critical and theoretical maturation This volume shows how adaptations studies has outgrown its contested place in the gap of film and literary studies and how its interventions transcend disciplinary perspectives across the arts and humanities Volume Three covers key case studies such as Christine Geraghty s take on adapting Westerns Ian Inglis understanding of the transformation of music into movies and Eckart Voigts concept on Jane Austen and participatory culture 0With topics ranging from the limitations of the novel to adapting stage to screen contributions from a wide range of international scholars film critics and novelists combine to make *Adaptations Critical and Primary Sources* an original overview of critical debates today Cartmell and Whelehan introduce each excerpt and offer a critical overview of the collected work the rationale for its inclusion and suggestions for further reading

The Forgotten Film Adaptations of D.H. Lawrence's Short Stories Jason Mark Ward,2016-07-11 This book looks beyond fidelity to emphasize how each adaptation of D H Lawrence s short stories functions as a creative response to a text foregrounding the significance of its fluidity transtextuality and genre The adaptations analysed range from the first to the most recent and draw attention to the fluidity of textual sources the significance of generic conventions and space in film the generic potentialities latent within Lawrence s tales and the evolving nature of adaptation By engaging with recent advances in adaptation theory to discuss the evolving critical reception of the author s work and the role of the reader this book provides a fresh forward looking approach to Lawrence studies

Film Phenomenology and Adaptation David Evan Richard,2025-10-01 *Film Phenomenology and Adaptation* Senuous Elaboration argues that in order to make sense of film adaptation we must first apprehend their sensual form Across its chapters this book brings the philosophy and research

methodology of phenomenology into contact with adaptation studies examining how vision hearing touch and the structures of the embodied imagination and memory thicken and make tangible an adaptation's source In doing so this book not only conceives adaptation as an intertextual layering of source material and adaptation but also an intersubjective and textural experience that includes the materiality of the body
