Aplia's online learning solution makes statistics relevant and engaging to students with interactive, automatically graded assignments. As students answer each question, they receive instant, detailed feedback—and their grades are automatically recorded in your Aplia gradebook.

Problem Sets

Students stay engaged in their coursework by regularly completing interactive problem sets. Aplia offers original, auto-graded problems—each question providing instant, detailed feedback.

Math & Graphing Tutorials

Interactive tutorials help students overcome mathematical challenges that would otherwise prevent them from learning statistics. Tutorials cover prerequisite math fundamentals, such as graphing, numerical calculations, and equations. By assigning these tutorials, you no longer need to spend valuable class time reviewing these subjects.

Assessment & Grading

Aplia keeps you informed about student participation, progress, and performance through real-time graphical reports. You can easily download, save, manipulate, print, and import student grades into your current grading program.

Course Management System

You can post announcements, upload course materials, e-mail students, and manage your gradebook in Aplia's easy-to-use course management system. Aplia works independently or in conjunction with other course management systems.

A table of student scores on the first exam. The following table shows the scores for each student and the total score.
