Beautiful Garbage Jill Di Donato, 2025-07-30 If Holly Golightly lived in the 80s how far would she go to make a name for herself as Manhattan's artist du jour We know all about Warhol Basquiat Keith Haring and their fictional counterparts but what about the edgy women artists of this time Jodi Plum smart talented ambitious troubled Fresh out of her teens she leaves suburbia for Manhattan's glam and gritty art scene and almost immediately falls into the clutches of Monika a beautiful photographer With the help of her new mentor Jodi quickly becomes a rising star but when a skeleton from her past surfaces her dream life crashes to a halt and she slips into a world of parties drugs and high class prostitution Set in the crime plagued New York City of the 1980s *Beautiful Garbage* parallels an artist's journey with her sexual epiphanies exploring the notorious milieu of the decade's downtown art scene from the point of view of a young female artist and offering a satirical and irreverent look at post 70s sexual politics and the world of elite call girls **The B Word** Maria San Filippo, 2013-04-12

Often disguised in public discourse by terms like gay homoerotic homosocial or queer bisexuality is strangely absent from queer studies and virtually untreated in film and media criticism Maria San Filippo aims to explore the central role bisexuality plays in contemporary screen culture establishing its importance in representation marketing and spectatorship By examining a variety of media genres including art cinema sexploitation cinema and vampire films bromances and series television San Filippo discovers missed moments where bisexual readings of these texts reveal a more malleable notion of subjectivity and eroticism San Filippo's work moves beyond the subject of heteronormativity and responds to compulsory monosexuality where it's not necessarily a couple's gender that is at issue but rather that an individual chooses one or the other *The B Word* transcends dominant relational formation gay straight or otherwise and brings a discursive voice to the field of queer and film studies *The People's Gallery* Anthony C.
