Men in the Bible - Small Group Study Guide Dennis C Stevenson Jr, The Bible is loaded with stories of men in situations just like you Through the stories of their lives you can learn powerful lessons gain clarity and see what God wants for your life As a group Bible study this book is a game changer In this how to guide you ll get a step by step plan to lead an 8 12 or 16 week study All the tools you need will be provided Whether you want to start a new group with some of your friends or you have an established group that needs a shot in the arm this book will explain exactly what to do Men in the Bible Small Group Study Guide is an easy to read guide that will give you everything you need to get started and succeed 3 simple tools to amp up the dynamic of your men s small group A new process that makes stories in the the Bible come alive and feel like YOUR story Step by Step instructions for organizing and running a small group As a participant and facilitator of this study for 8 years I can honestly say that there has not ever been a more meaningful study of God s word for me The study has made the both the Old and New Testament more immediately relevant to me and has encouraged me to seek greater truth about myself I am so thankful for this process and look forward to sharing this continued journey of discovery with my brothers in Christ Randy 52

WOULD YOU LIKE TO KNOW MORE It s all right here Download the book now and start impacting your Bible study TODAY Here is what men who have been in the study say about the impact it has had on their lives This process has allowed me to be emotionally vulnerable and still maintain self control to trust other men to be honest with myself and before God I ve had and seen other men have large positive changes in their self image which translates directly into stronger relationships here on earth and with Heaven There is no question in my mind that this is a program worth your time and involvement Dave 58

What I discovered as a result of being a part of this study changed my life I will use the techniques I gained for the rest of my life I would strongly encourage every man to participate in this process This is something that I have shared with others in my life and it NEVER fails to bring clarity As disciples of Christ we are all undergoing the process of sanctification Many of things we pursue hoping to experience a change leave us wanting It delivers I am a better man my walk with Christ is stronger than ever and I am a part of a band of brothers who truly sharpen one another Tony 53

This men s group provided a safe outlet to understand why I felt the way I did and to intentionally separate the data judgments and feelings that influenced my life I have prayed for Gods knowledge the strength to handle life s trials and the self control to trust God s plan and timing The answers I prayed for were right before me and I needed to see and accept them to become a better Christian father and husband My relationships with God my brothers in Christ wife and kids are stronger as a result of the work I brought to men s group and implemented in my daily life I wish I had access to this information when I was younger Mike 39

The Way of a Disciple Bible Study Guide: Walking with Jesus Don Cousins, Judson Poling, 2016-10-11 The Walking with God series was developed as the curriculum for small groups at Willow Creek Community Church in South Barrington Illinois Since its release in 1992 it has been used by churches and small groups to

help raise up devoted disciples of Christ Group members who work through the program will lay a solid foundation for a lifelong walk with God While small groups may be formed for a variety of purposes the goal of this curriculum is for groups to produce disciples fully devoted followers of Christ by studying God s Word in community To this end the goal of the study is to produce disciples who walk with God have a personal relationship with Jesus and live in step with the Holy Spirit It is also to produce believers who live the Word in all areas of life and contribute to the work that God is doing in the local church Ultimately the goal is to develop believers who impact the world and are prepared and eager to spread the good news of Christ to others This material will help develop these attributes in group members Each lesson includes group Bible study and discussion questions in addition to devotions reflections and personal study for use by individuals between the group sessions
