Compquest Jay Lurie, 2001 You re not a dummy but maybe you don t know that much about computers This book is

essential reading for a computer novice It is presented in an easy incremental manner there are lots of Windows tips for a beginner and intermediate computer user alike and it is chock full of illustrations Another virtue of this book is that it is intended to teach a person to use a computer that knows absolutely nothing about one The average intermediate user will learn some things if they read the book as well Therefore it will appeal to a very wide audience from ages 9 to 90
