- 1010 The purpose of the National Transportation Planning Board (NTPB) is to develop and coordinate transportation planning and the National Highway Transportation Planning Act. The NTPB is a federal agency that provides technical assistance, information, and guidance to state and local transportation planning agencies. The NTPB is also responsible for the National Transportation Planning Board's research and development activities.

Figure 1

¹ The findings will contribute significantly to current public-health-related research on public health, disease control, and prevention and can assist health planning at the local, national, and international levels. The findings will provide comprehensive data on the physical, chemical, and biological environment, including human activities, and will assist in the development of public health policies and programs.

[illegible]

It is the responsibility of each respondent to ensure that the findings are designed and reported in accordance with applicable research management standards. The respondent must also ensure that the findings are not misused.
