Basics For Believers An Exposition Of Philippians:

Basics for Believers D. A. Carson, 2018-11-06 Christians taking their first steps of faith as well as experienced believers reexamining their spiritual foundations will find wisdom in this study of Philippians and the disciplines of the Christian life. They will be encouraged to let the cross shape their outlook on suffering, emulate worthy Christian role models, persevere by developing seven virtues, and put the gospel first in all aspects of life. Philippians R. Kent Hughes, 2007 In this *Preaching the Word* commentary on Philippians, R. Kent Hughes gives readers a behind-the-scenes look at this joyous letter of thanksgiving and encouragement in the midst of a fallen world. A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans, 2025-01-21 *A Guide to Biblical Commentaries and Reference Works, 11th Edition* by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation. The easy-to-use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library. *A Guide to Biblical Commentaries and Reference Works, 11th Edition* is a key reference tool for any student of the Bible, pastors, laity, and scholars alike. On the Writing of New Testament Commentaries Stanley E. Porter, Eckhard J. Schnabel, 2012-09-28 The essays in *On the Writing of New Testament Commentaries* survey relevant questions related to the writing of commentaries on the books of the New Testament. *Congregational Evangelism in Philippians* Mark J. Keown, 2009-02-19 Did Paul want his congregations to pick up the ministry of evangelism, or did he envisage himself and other specialist proclaimers continuing the ministry of the gospel? Dr. Keown begins by outlining the contours of differing responses to this question, ranging from exclusively specialist evangelism to believers' full participation in evangelistic mission. He then explores the question through exegetical analysis of Philippians. He argues persuasively that one essential element of the rhetorical appeal of the letter is an injunction to the believers in Philippi to continue to preach the gospel with renewed unity and in the face of pagan opposition. He suggests that Paul envisaged specialist proclaimers leading the evangelical mission and equipping general believers to share the gospel as one dimension of living in the world. *ESV Expository Commentary (Volume 11)* Crossway, 2020-10-28 Designed to strengthen the global church with a widely accessible, theologically sound, and pastorally wise resource for understanding and applying the overarching storyline of the Bible, this commentary series features the full text of the ESV Bible passage by passage, with crisp and theologically rich exposition and application. Editors Iain M. Duguid, James M. Hamilton, and Jay A. Sklar have gathered a team of experienced pastor-theologians to provide a new generation of pastors and other teachers of the Bible around the world with a globally minded commentary series rich in biblical theology and broadly Reformed doctrine, making the message of redemption found in all of Scripture clear and available to all. With contributions from a team of pastors and scholars, this commentary through 9 of Paul's letters helps students of the Bible to understand how each epistle fits in with the storyline of Scripture and applies today. Contributors include Benjamin L. Merkle.
