Bible Study A Students Guide:

Bible Study Jon Nielson, 2013 A new version of Kathleen Nielson's acclaimed book that addresses high school students with the aim of encouraging and equipping them to engage in effective study of the Bible. The most crucial way we can prepare young people for the challenges that lie ahead is to arm them well with the sword of the Spirit which is the Word of God. This book lays the foundation; it explains what the Bible is and what that means for how we should study it. Five fundamental truths are clearly presented: the Bible is God speaking; powerful, understandable literary; one whole story. From each of these truths come practical implications for why and how we study the Bible along with concrete examples and study questions that lead students in personal application. The goal is for high school students to grow not just in a particular method but in a whole understanding of God's Word and how to let that Word speak effectively into our lives. *Bible Study Methods, a Student's Guide* Mark Strauss, 2020-06-12 This guide is intended to be used with the BiblicalTraining.org class Bible Study Methods. This is an Academy level class that answers the following questions: What is a Bible study? Why do we study these specific 66 books? What type of literature are we studying? What are the practical steps we should take? How do we determine a word's meaning? How do we apply the text to our lives? *Student Workbook for the Self-Confrontation Bible Study* BCF Biblical Counseling Foundation, BCF Writing Team, 2024-06-20 The Student Workbook is designed to lead you through a personal life application study of God's Word using the Self-Confrontation manual as a reference. The Workbook leads you through key Scripture passages and points you to relevant portions of the Self-Confrontation manual. It can be used for your own personal study in a one-on-one discipleship format or in a small group setting. The lessons have blank portions to complete based on passages from the Bible. This is part of what you might call your written homework. The Self-Confrontation Bible Study is a great way for you to spend daily time in God's Word with the emphasis on your own walk with the Lord and your relationships with others. These principles are timeless and cultureless and they will change your life when applied with God's enabling power.
