

breathe

Everytime you have an energy that
needs to be transformed, like jealousy
or fear do something to care for this energy.
If you do not want it to destroy you.

When you have pain within you
the first thing you have you do is bring
the energy of mindfulness to embrace the pain ..

'I know you are there, little anger,
my old friend.
Breathe - I am taking care of you now'.

You will be able to look deeply at the true
nature of your anger. This discovery, this
understanding, this wisdom, will
liberate you from your pain.
