Guidance Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person's growth Bidwell's work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God's presence Focusing on how God is already active in the directee's life allows the participants to identify God's action and respond in ways that collaborate with that identified movement of the Spirit **Talking to God** Naomi Levy, 2007-12-18 After the publication of her best selling book *To Begin Again* Naomi Levy received a flood of feedback from readers telling her how much the prayers in it had helped and moved them Many urged her to publish a collection of her prayers and now she has In a time when we all need inspiration comfort

and connection Talking to God will help us reclaim prayer as an integral part of our lives making it as natural and uninhibited as talking to our loved ones Prayer is essential to the lives of millions but many of us are searching for ways to supplement traditional prayers with ones that are less formal and more intimate Written in a simple and direct style the prayers in this book and the wonderful stories that accompany them are for people of all faiths and for all occasions large and small Naomi Levy s personal prayers address the anxieties and roadblocks we all face in contemporary life There are prayers for facing a new day realizing one s potential at work celebrating an anniversary or birthday and going to sleep at night And there are prayers for the more profound occurrences in life love and marriage pregnancy and childbirth illness loss and death Rabbi Levy s words imbued with grace and empathy touch on the entire range of human experience Many of us will recognize ourselves in her prayers and stories and will be comforted by them as well as challenged and uplifted Perhaps most important they are stepping stones for us to go on and create our own prayers to find meaning in our own lives and to begin or renew our own relationships with God From the Hardcover edition *The Home Missionary* ,1871 No 3 of each volume contains the annual report and minutes of the annual meeting **The Ladies' Home Journal** ,1897
