Bricks And Stones From The Past Jamaicas Geological Heritage:

Bricks and Stones from the Past Anthony R. D. Porter, 2006 *Bricks and Stones from the Past* is an informative handsomely illustrated and skilfully written book of hard facts about Jamaica's rich geo historical heritage. Weaving his way through many intricate branches of knowledge including archaeology, building construction, chemistry and geology, the author embarks on a journey that takes him through the pages of history and across the island. He examines, analyses and describes the nature and origin and use of various lithic materials and objects many of which played an important role in the development of the island up to the early part of the twentieth century. With a thorough glossary to assist readers in understanding many of the technical terms, the author records his observations and findings in seven easy to read and understand chapters. The numerous illustrations of assorted artefacts and ruins should prove of immense value to collectors, museums, libraries, researchers and schools. This much needed pioneering reference is an essential addition to the literature on Jamaica.

Victorian Jamaica Tim Barringer, Wayne Modest, 2018-04-19 *Victorian Jamaica* explores the extraordinary surviving archive of visual representation and material objects to provide a comprehensive account of Jamaican society during Queen Victoria's reign over the British Empire from 1837 to 1901. In their analyses of material ranging from photographs of plantation laborers and landscape paintings to cricket team photographs, furniture and architecture as well as a wide range of texts, the contributors trace the relationship between black Jamaicans and colonial institutions, contextualize race within ritual and performance and outline how material and visual culture helped shape the complex politics of colonial society. By narrating Victorian history from a Caribbean perspective, this richly illustrated volume featuring 270 full color images offers a complex and nuanced portrait of Jamaica that expands our understanding of the wider history of the British Empire and Atlantic world during this period. Contributors: Anna Arabindan Kesson, Tim Barringer, Anthony Bogues, David Boxer, Patrick Bryan Steeve O Buckridge, Julian Cresser, John M Cross, Petrina Dacres, Belinda Edmondson, Nadia Ellis, Gillian Forrester, Catherine Hall, Gad Heuman, Rivke Jaffe, O Neil Lawrence, Erica Moiah, James Jan Marsh, Wayne Modest, Daniel T Neely, Mark Nesbitt, Diana Paton, Elizabeth Pigou, Dennis Veerle, Poupeye, Jennifer Raab, James Robertson, Shani Roper, Faith Smith, Nicole Smythe, Johnson, Dianne M Stewart, Krista A Thompson.

Jamaica, the Land of Film Peter Polack, 2017-06-23 If Jamaica were an actor, she would have appeared in more than one hundred and forty one films. The list of movies where the name Jamaica plays a prominent part is probably closer to two hundred. This book chronicles over one hundred years of international film making in Jamaica from 1910 and provides many previously unpublished details of locations, actors and directors. As such, *Jamaica the Land of Film* provides a comprehensive history which will be of great interest to all cinema aficionados and fans of Caribbean history.
