Brief Person Centred Therapies Brief Therapies Series By Keith Tudor Editor 24 Jun 2008 Paperback:

Brief Person-Centred Therapies Keith Tudor, 2008-07-15 Can the person centred approach work in time limited counselling and psychotherapy This is a question that many practitioners grapple with as demand for brief therapy increases particularly in the public sector Brief Person Centred Therapies is the first book to tackle the subject bringing together the experience and insights of a leading international team of person centred specialists The book examines the theoretical fit between the person centred approach and brief therapy It also explores the issues which arise when working briefly in a range of different settings including primary care higher education and business Brief Person Centred Therapies is essential reading for all person centered trainees and for practitioners who want to work in services where brief work is called for

Effective Brief Therapies Michel Hersen, Maryka Biaggio, 2000-06-05 This treatment guide is based on selected disorders taken from the American Psychiatric Association DSM IV Diagnostic Classifications The disorders selected are treatable or responsive to brief therapy methods The therapist or student in training can use this book to identify the elements needed for formulating a treatment plan on disorders typically encountered in clinical practice The approaches taken are based on cognitive behavioral principles and makes use of empirical findings However the case study format allows the reader to see how the assessment and treatment is implemented in a real life patient and not as a clinical abstraction distilled from research studies Moreover the treatment plan is outlined in a manner that makes reimbursement likely from managed care organizations and insurance companies Effective Brief Therapies is useful as a reference for therapists and as a training guide for graduate students Case Descriptions Treatment Conceptualization Assessment Techniques Treatment Implementation Techniques Concurrent Diagnoses and Treatment Complications and Treatment Implications Dealing with Managed Care and Accountability Outcome and Follow up Dealing with Recidivism *To the Heart of the Matter: Brief Therapies* Bert Hellinger, 2003-01-01
