 Arthur John Wulf, 2025-06-24 Was Earth Created Good offers a reappraisal of Earth as presented in Genesis 1 1 2 4a from a Samoan gafataulima accomplish fulfill capable hermeneutical perspective The inspiration for the study arose out of a personal dilemma concerning author Arthur John Wulf s religious beliefs and the reality he is experiencing in the world today specifically the tensions between Earth s perfect portrait in Genesis 1 1 2 4a and the recurring natural disasters he suffers from in his Samoan local context Attention to his ecological situation gave rise to questions that challenge the repeated divine evaluation of Earth as good in Genesis 1 1 2 4a These questions identify the need for context specific hermeneutical frameworks that take into account local ecological situations in the interpretive process In this light Wulf proposes the Samoan cultural concept of gafataulima as an ecological hermeneutic to reevaluate the quality of Earth as presented in the Genesis 1 1 2 4a creation narrative using the Samoan version of narrative grammatical criticism which he refers to as a tala mamanu reading Discussions throughout seek to carefully balance the exploration of the text s historical significance within

the wider framework of Wulf's Christian faith Drawing on a rich array of biblical scholarship this study explores the significance of God's declaration that the created Earth was good in light of the ongoing challenges of natural disasters faced by the people of Samoa I believe Arthur J Wulf's book will be an important piece of scholarship from which biblical scholars will benefit greatly Dr Caroline Blyth The author's meticulous attention to cultural context and ecological relevance makes this work a pioneering contribution to theological scholarship and practical environmentalism Rev Dr Samasoni Moleli In this great work Arthur Wulf shows another example of a biblical interpretation that considers the reader's world now bringing a new dimension into reading the creation story in the Bible It is not the opportunity to impose his meaning on the text but to recognise that meaning making is shaped by the questions and issues he brings from his contemporary situation and takes back to that situation I recommend this excellent book to Bible readers who practise using their life experiences from their worlds as hermeneutics to explore the Bible Rev Prof Vaitusi Nofoaiga **Spirit of God** Jeffrey W. Barbeau, Beth Felker Jones, 2015-03-06 Jeffrey Barbeau and Beth Felker Jones edit thirteen essays on the topic of the Holy Spirit in biblical historical and theological perspective featuring important contributions on the current shape of global Pentecostalism Contributors include Allan Anderson Oliver Crisp Timothy George Kevin Vanhoozer Amos Yong and Geoffrey Wainwright
