**The Genius of Judaism** Bernard-Henri Lévy, 2017-01-10 From world renowned public intellectual Bernard Henri Lévy comes an incisive and provocative look at the heart of Judaism A smart revealing and essential book for our times The Washington Post For more than four decades Bernard Henri Lévy has been a singular figure on the world stage one of the great moral voices of our time Now Europe's foremost philosopher and activist confronts his spiritual roots and the religion that has always inspired and shaped him but that he has never fully reckoned with The Genius of Judaism is a breathtaking new vision and understanding of what it means to be a Jew a vision quite different from the one we're used to It is rooted in the Talmudic traditions of argument and conflict rather than biblical commandments borne out in struggle and study not in blind observance At the very heart of the matter is an obligation to the other to the dispossessed and to the forgotten an obligation that as Lévy vividly recounts he has sought to embody over decades of championing lost causes from Bosnia to Africa's forgotten wars from Libya to the Kurdish Peshmerga's desperate fight against the Islamic State a battle raging as we speak Lévy offers a fresh surprising critique of a new and stealthy form of anti-Semitism on the rise as well as a provocative defense of Israel from the left He reveals the overlooked Jewish roots of Western democratic ideals and confronts the current Islamist threat while intellectually dismantling it Jews are not a chosen people Lévy explains but a treasure whose spirit must continue to inform moral thinking and courage today Lévy's most passionate book and in many ways his most personal The Genius of Judaism is a great profound and hypnotic intellectual reckoning indeed a call to arms by one of the keenest and most insightful writers in the world Praise for The Genius of Judaism In The Genius of Judaism Lévy elaborates on his credo by rebutting the pernicious and false logic behind current anti-Semitism and defends Israel as the world's most successful multi-ethnic democracy created from scratch Lévy also makes the case for France's Jews being integral to the establishment of the French nation the French language and French literature And last but certainly not least he presents a striking interpretation of the Book of Jonah A tour de force Forbes Ardent Lévy's message is essentially uplifting that the brilliant scholars of Judaism the authors of the Talmud provide elucidation into the great questions that have stirred humanity since the dawn of time A philosophical celebration of Judaism Kirkus Reviews Lévy Left in Dark Times a prominent French journalist and politically engaged

Phan, 2015-02-25     *How Finkelstein Broke the Trauma Bond, and Beat the Holocaust* Lawrence Swaim, 2015-10-30

Following on from the first two books in his Genesis Trilogy Lawrence Swaim tells the amazing stories of people who broke the trauma bond and created new lives for themselves Including among others Norman Finkelstein whose parents were both Holocaust survivors who broke free from the inter generational trauma in his family system by exposing extensive corruption in his community and in American society and by working for social justice in the Middle East Eric Lomax a former British soldier in the far east who broke free from his haunting traumatic memories by meeting and reconciling with the Japanese man who had tortured him fifty years before with the help of his brave and insightful wife Gerry Adams who together with his IRA and Sinn Fein comrades broke free of the trauma of Northern Ireland's civil war finally redeeming himself by questioning some of his own assumptions and then dedicating himself to achieving peace in the Good Friday Peace Agreement of 1998 This is a definitive book about personal struggle against traumatic memory but also about how trauma bonding operates in society It is the author's belief that unresolved feelings of psychological trauma are the wheelhouse of systemic evil whether of the dictator the demagogue or the criminal psychopath It is by manipulating shared traumatic memories that tyrants control people and get them to do terrible things they would never otherwise do
