Breaking The Discipleship Code Becoming A Missional Follower Of Jesus:

Breaking the Discipleship Code David Putman, 2008 Balancing cultural relevance with biblical faithfulness Putman invites ordinary believers to begin having an extraordinary spiritual impact in their unique context **Breaking the Discipleship Code** David Putman, 2008-05-01 Breaking the Discipleship Code opens the door to a greater understanding of what it means to personally be a missional follower of Jesus in relation to every aspect of our changing world Balancing cultural relevance with biblical faithfulness the book invites ordinary believers whether on Wall Street or in a Waffle House next door or across the ocean to begin having an extraordinary spiritual impact in their unique context Servantship Graham Joseph Hill, 2013-10-10 Servantship is essentially about following our Lord Jesus Christ the servant Lord and his mission it is a life of discipleship to him patterned after his self emptying humility sacrifice love values and mission Servantship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others Servantship is the cultivation of the same attitude of mind Christ Jesus had making yourself nothing being a servant humbling yourself and submitting yourself to the will and purposes of the triune God Since servantship is the imitation of Christ it involves an unreserved participation in the missio Dei the Trinitarian mission of God In this pioneering work sixteen servants describe the four movements of radical servantship Servantship is the movement 1 from leadership to radical servantship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from forgetfulness to transforming memory Servantship recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many **Missio Dei** Thomas Schirrmacher, 2018-05-10 The important term Missio Dei Mission of God needs a biblical foundation The sending of God by God is a foundational motive in the New Testament Even at the very beginning of salvation history shortly after creation God became the first missionary In Jesus God is the missionary par excellence and in the Holy Spirit God is the most successful missionary Mission is part of the nature of God and therefore mission can only be described holistically and in a manner that transforms human mission into the image of God's mission In three chapters three important themes regarding the Missio Dei are discussed 1 The recent history of the term in missiology 2 the biblical and systematic foundations 3 the debate between the Western and Eastern wings of Christianity over the filioque that is the question whether the Holy Spirit was sent by the Father alone or by the Father and by Jesus His Son *The Missional Church in Perspective (The Missional Network)* Craig Van Gelder, Dwight J Zscheile, 2011-05-01 In this book two leading ministry experts place the missional church conversation in historical perspective and offer fresh insights for its further development They begin by providing a helpful review of the genesis of the missional church and offering an insightful critique of the Gospel and Our Culture Network's seminal book Missional Church which set the conversation in motion They map the diverse paths this discussion has taken over the past decade identifying

four primary branches and ten sub branches of the conversation and placing over one hundred published titles and websites into this framework The authors then utilize recent developments in biblical and theological perspectives to strengthen and extend the conversation about missional theology the church s interaction with culture and cultures and church organization and leadership in relation to the formation of believers as disciples Professors students and church leaders will value this comprehensive overview of the missional movement It includes a foreword by Alan J Roxburgh

Detox ... for the Overly Religious David Putman,2010 With a devotional tone a respected church culture leader prescribes the simple spiritual methods of Jesus to Christians who may have become overly religious

Faith Journey Jr. Hood,2011-03 Advance praise for Faith Journey Good pastors are recognizing that the task for forming people in faith has a new urgency in our time Preaching to people who are not learning about the faith and being formed in discipleship can devolve into entertaining an audience instead of edifying a congregation of the faithful In this book Doug Hood provides welcome help in this important ministry of weaving into the fabric of people s lives the basic pattern of the Christian faith a wise and worthy guide for pastors and lay people From the Forward by Thomas G Long author of The Witness of Preaching and Bandy Professor of Preaching Candler School of Theology Emory University Doug Hood leads us into a wonderfully accessible approach to a deeply engaging experience of growth in discipleship By offering the interplay of readings reflections spiritual exercises and questions he leads the reader into the life changing journey of growing in Christlikeness and what it is to be loved by Christ and loving others in Christ s name It is a superb guide for personal study small groups and classes E Stanley Ott Ph D President of the Vital Churches Institute As pastors and church leaders we want more for the spiritual life of our parishioners than an emotional high or intellectual stimulation We want our people to know God Doug Hood has developed an understandable and highly accessible resource for congregations Using time tested spiritual disciplines Faith Journey encourages church members to be receptive to what God is doing in their lives James Hodsden Senior Minister of the Ardmore Presbyterian Church Ardmore PA W Douglas Hood Jr D Min Fuller Theological Seminary is the pastor of Lenape Valley Presbyterian Church New Britain PA His sermons and articles have appeared in Lectionary Homiletics Preaching Great Texts Biblical Preaching Journal and Preaching Word Witness

The Great CoMission Brooks St. Clair Morton,2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28 16 20 by focusing on the relationship between initiation instruction and Jesus promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great

Commission merely as a holy launching pad for retelling the story of a mega church **Salt, Light, and a City, Second Edition** Graham Joseph Hill, 2017-06-13 Graham Hill's pioneering classic remains the seminal work on missional ecclesiology. The bestselling first edition redefined theology for the missional church. In this thoroughly updated edition, he interacts with sixteen major theologians from the Western world. This edition includes five new chapters and an expanded treatment on the key convictions of global missional theology. It also offers a new study guide that has been uploaded on an innovative website linked to this book. This expanded edition now becomes volume 1 in a series on missional ecclesiology. In volume 2, Hill will turn our attention to voices from the Majority World.
