Breaking Free Beth Moore,2000 *Truly Free* Robert Morris,2015-05-12 In Truly Free best selling author Robert Morris invites us into a glorious truth that the promise of being set free from the slavery of sin is a promise to be set free completely Jesus said All authority in heaven and on earth has been given to me Matthew 28:18 As believers we have Christ and never need to be afraid Yet it's also true that we are not immune to the effects of evil Christ has conquered sin and death but in his infinite wisdom for reasons that are often difficult for us to understand evil is still permitted to exist Even if we're saved and trust in Christ we may still find areas in which we just can't get victory Maybe it's a sin we've confessed again and again or a constant struggle with depression anger or lust These long imbedded patterns of shameful living continue to entangle us day after day month after month and even year after year Although evil is real and Christians can be oppressed by it we have the promise that the one who is in us is greater than the one who is in the world 1 John 4:4 Jesus saves us trains us to resist the power of evil and delivers us from anything that holds us back With Jesus we can be truly free forever

Blood Cries Out A. J. Swoboda,2014-11-11 John McConnell Jr was the famed founder and visionary of Earth Day McConnell's vision was one of creating a day of remembrance solitude and action to restore the broken human relationship to the land Little acknowledged are McConnell's religious convictions or background McConnell grew up in a Pentecostal home In fact McConnell's parents were both founding charter members of the Assemblies of God in 1914 His own grandfather had an even greater connection

to the origins of Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906 Earth Day thus began with strong religious convictions McConnell seeing the ecological demise through his religious background envisioned a day where Christians could show the power of prayer the validity of their charity and their practical concern for Earth's life and people In the spirit of McConnell today's Pentecostal and Charismatic theology has something to say about the earth Blood Cries Out is a unique contribution by Pentecostal and Charismatic theologians and practitioners to the global conversation concerning ecological degradation climate change and ecological justice *From Blah to Awe* Bishop J.
