Breathing Under Water Spirituality And The Twelve Steps By Richard Rohr Sep 13 2011:

A Journey Toward Surrender John Horan-Kates, 2017-01-27 A Journey Toward Surrender is a memoir describing how my view of leadership has evolved over fifty years. It's a story in understanding a different and more freeing meaning of surrender. From leading teams in government business and the non profit world I have developed an outlook that works. The biggest challenge in leading comes down to one key necessity: managing the ego. If we could relinquish our ego investment, the world would be a better and much more effective place. I argue that there is a dynamic continuum or tension between responsibility and surrender that evolves throughout life and that to live well within this continuum one must realize that God is in control of the outcome. In the end I contend that without a change of heart, policy reforms are futile. Without a deep assessment of one's moral character, our actions will be based on what Scripture refers to as shifting sands. Recovering (Pastoring for Life: Theological Wisdom for Ministering Well) Aaron White, 2020-09-01 This book provides a theologically rich commentary on the challenge of addiction and the long road to recovery. Written by a minister with extensive experience working with people who struggle with addictions, this book helps pastors understand the roots and realities of our universal human struggle with addictions and attachments while showing that together we have great hope for freedom, wholeness, and recovery. Readers will learn how to create and foster a Beatitude Community, the kind of environment Jesus prescribed for his people to help addicts and those who love them heal from brokenness. Foreword by Bob Ekblad. About the Series: Pastors are called to help people navigate the profound mysteries of being human from birth to death and everything in between. This series, edited by leading pastoral theologian Jason Byassee, provides pastors and pastors in training with rich theological reflection on the various seasons that make up a human life, helping them minister with greater wisdom and joy. **Flee, Be Silent, Pray** Ed Czerwinski, 2019-02-12 What if prayer could be simple rather than strenuous? Anxious, results-driven Christians can never pray enough, serve enough, or study enough. But what if God is calling us not to frenzied activity but to a simple spiritual encounter? What if we must merely receive what God has already given us? In *Flee, Be Silent, Pray*, writer and contemplative retreat leader Ed Czerwinski guides readers out of the anxiety factory of contemporary Christianity and toward a God whose love astounds those quiet long enough to receive it. With helpful guidance into solitude, contemplative prayer, and practices such as lectio divina, and the Examen, Czerwinski guides readers toward the Christ whose yoke is easy and whose burden is light. Ready to shed the fear of the false self and the exhaustion of a duty-driven faith? *Flee, Be Silent, Pray*. **The Drama of Living** David F. Ford, 2014-09-30 In this long-awaited follow-on volume to his Archbishop of Canterbury's Lent book *The Shape of Living*, the renowned theologian David Ford explores how we can live wisely, not poring earnestly over difficult choices but in the presence of Holy Wisdom, God's darling and delight, playing in his presence and over the whole world. Such wisdom fires our hearts and imaginations as well as our intellects and enables us to live fully open to God, to others, and to life's complexities in freedom and joy. Playfulness is something many of us leave behind in youth, yet it is a

primary characteristic of the kingdom of God the joy of play pervades creation and should pervade our lives Drawing on scripture and the poetry of Micheal O Siadhail David Ford enable us to recover a lost dimension in our Christian living

Why Can't Church Be More Like an AA Meeting? Stephen R. Haynes, 2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine

Born to Shine James Loftin, 2022-11-16 More than you have imagined your life can communicate grace and bring solutions that transform the world for God s glory Born to Shine invites Christians to review the way we see ourselves and the methods we employ as partners in God s mission It looks at the beauty of light the horrors of darkness and God s mystifying method of using fallible Christ followers to bring hope and healing to neighbors near and far The book provides practical tools to help readers answer the vital question How can I best use my prayer time finances strengths circumstances and pain to change the world with the love of Jesus You are the light of the world God invites you to reclaim that identity with intentionality urgency and excellence
