

The background of the slide is a photograph of a night sky. It features numerous concentric, curved white lines representing star trails, which are most prominent in the upper half of the image. Below the sky, the dark silhouette of a mountain range is visible against the horizon. The overall color palette is dominated by deep blues and blacks.

Breathing In The Fullness Of Time:

Sacred Time Christine Valters Paintner, 2021-02-19 We live in a world where there never seems to be enough time for all we want and need to do In *Sacred Time Embracing an Intentional Way of Life* Christine Valters Paintner guides us as we move beyond our own lives and embrace a world that urges us toward rest reflection and growth In *Sacred Time* Paintner abbess of the online Abbey of the Arts shows us how by becoming in tune with the rhythms of the natural world we can live more intentionally and experience a conversion toward a more expansive way of being Paintner introduces us to the eight cycles of sacred time that exist in our everyday lives These cycles that can ground us through our busy lives are breath rhythms of the day weekly rhythms and Sabbath rest waxing and waning lunar cycles seasons of the year seasons of a lifetime ancestral time and cosmic time Each cycle encourages us to mindfully consider the time that passes as quickly as each breath and as slowly as the passing of generations Within each cycle we find wisdom from sacred tradition and the saints including St Benedict St Ignatius of Loyola and St Hildegard of Bingen room for growth and the presence of the Divine Along the way we are also given scriptural guidance and we are invited to spiritual practices and creative explorations that will help deepen our understanding of each cycle allow that understanding to take root in our lives and expand our lives beyond the pressures of each day

Ah, What Is It? – That I Heard Anne Mounic, 2014 The spirit of the narrative is mankind's reflexive consciousness or poetic genius our unique access to ourselves our desperate endeavour to be REAL It brings to light the dark unknown which is the zest of our lives it gives shape to the tremor of our inner souls otherwise nearly imperceptible Ah what is it that I heard Katherine Mansfield wondered throughout her whole life and writings poems and stories letters and notebooks Through the metamorphic movement of her highly sensitive perceptive mind she highlights the deep ambivalence of light and dark mirth and awe fear and longing which is the keen feature of our naked existence She sketches her epic motifs with a dedicated sense of wonder A true poet she returns as Baudelaire Keats Hopkins Proust or Shakespeare to the origins of language this poignant contrast of light and dark following the alternate rhythm of night and day of yielding to darkness and converting it into speech Let there be light Poetic language is performative It means an everlasting questioning over the abyss with wings of wonder upon the face of the deep This volume will also be of interest to scholars and dedicated readers who wish to share in the current reassessment of Katherine Mansfield's poetic achievement Her awareness of the literary tradition and modernity the utmost finesse of her artistic thought the boldness of her temper make her a major twentieth century poet

The Artist's Rule Christine Valters Paintner, 2011-07-11 Christine Valters Paintner author of *Water Wind Earth and Fire* invites readers to discover and develop their creative gifts in a spirit of prayer and reflection This twelve week course draws on the insights and practices of Benedictine spirituality to explore the interplay between contemplation and creativity Summarized in the phrase pray and work The Rule of St Benedict provides the inspiration for Christine Valters Paintner's newest exploration of the mutually nourishing relationship between contemplative

practices and creative expression Artists of all stripes and stations in life poets or painters potters or photographers will discover how traditions of Benedictine Celtic and desert spirituality can offer new sources of inspiration for their work Through this twelve week course themes like Sacred Tools and Sacred Space Creative Solitude and Community and Nature as a Source of Revelation and Inspiration are enriched by Paintner s perceptive discussion and enhanced by insightful quotations from well known artists and writers Each week offers suggestions for grounding both the creative and the spiritual life through three basic practices walking lectio divina and journaling In sync with Paintner s vibrant Internet presence The Artist s Rule is supplemented with online resources including guided meditation podcasts video lessons and discussions

Our Daily Breath - paperback Gaye Abbott,2012-01-25 A road map to living an inspired life and a step by step manual that invites us to align ourselves with the rhythms of the natural world and then shows us how Open to the beauty and substance of the breath as a vehicle for awareness and as a tool for a vibrant life Use the focus for each week of the year to more fully inhabit each inhale pause and exhale

The Central Line of the Divine Revelation Witness Lee, The divine revelation in the holy Scriptures follows a central line concerning the person and plan of our unique Triune God This revelation is progressive beginning with God in Genesis 1:1 and culminating in the all inclusive Christ in Revelation The sixty six books of the Bible reveal that the center and highest point of the divine revelation is Christ who today is realized in our experience as the life giving and indwelling Spirit In this Spirit we have everything related to the Triune God including the all inclusive death the powerful resurrection and all the unsearchable riches of Christ The central line of the Bible reveals that our wonderful Triune God who is our portion and day by day supply desires to impart all that He is into us to constitute and build us up as the Body of Christ In *The Central Line of the Divine Revelation* Witness Lee fully unveils this central truth beginning from Genesis and concluding in Revelation with the New Jerusalem

Enough! Chonyi Taylor,2010-07-16 All of us are caught up in addictions big or small *Enough* presents a practical path that releases us from the grip of negative habits and addictions that block a full and meaningful life We can learn how to undo our habits and addictions but to do this we have to first find their triggers With the right techniques we can disarm them and learn more effective ways for dealing with the pain that so often underlies our problem causing behaviors Without the support of effective methods we are likely to return to our addictions when pain and painful issues arise Ch nyi Taylor helps us break through that cycle reconnect with ourselves and others and feel more centered in our spiritual awareness The meditations in this book are designed to develop familiarity with states of mind that can release us from addictive patterns Presenting the essence of Buddhism without the jargon and fusing it with Western psychology Ch nyi Taylor engagingly combines practical exercises that were developed through her workshops with meditations and stories and presents invaluable insights about how the mind works *Enough* is intended for anyone who is looking for a powerful and effective way out of addiction regardless of religious or secular background and is suitable for self study or as part of a guided program
