Bridging The Diversity Gap Leading Toward Gods Multi Ethnic Kingdom:

Bridging the Diversity Gap Alvin Sanders,2013 In a diverse divided world pastors and church leaders are faced with the question of how to lead across ethnic lines to bring healing and unity to the body of Christ How can the church more accurately reflect the vision of God s kingdom gathering together every tribe and nation It all begins with leaders whose minds and hearts have been transformed by the gospel Author Alvin Sanders believes the church is facing a chairios moment the right time to address the issue of ethnic division and tension within the church Through this book he offers a how to resource for Christian leaders to lead their organizations in a majority minority multi ethnic America Bridging the Diversity Gap is for pastors and ministry leaders who want a biblical process and principles informed by the best academic thought on race and ethnicity to engage with an ethnically diverse church or organization and guide them toward becoming one in Christ

Charismatic Leadership and Missional Change Craig S. Hendrickson,2020-03-16 Too often the solution sought by many struggling churches is to make the homerun hire to find the charismatic leader who will take them to the promised land of growth and vibrant ministry While this strategy occasionally pays off it has overwhelmingly failed as seen in the hundreds of churches across the United States that close their doors annually Is it possible that there is another way forward for those seeking to lead local congregations into missionally vibrant ministry especially those located in multiethnic urban areas In *Charismatic Leadership and Missional Change* one church s journey from a struggling primarily Anglo congregation of less than 100 members to becoming a missionally vibrant multiethnic church of more than 700 attendees with no clear ethnic majority documented The charismatic leadership style that drove this change is discussed and critiqued as well as the adaptive challenges that have arisen in the church because of it An alternative approach interpretive leadership is proposed as a different pathway forward in response to these challenges The result the author suggests will be to empower the diverse everyday people of God to participate in God s mission in exciting and surprising new ways **The Church on Mission**

Craig Ott,2019-05-21 In this scripturally rich exploration senior missiologist Craig Ott unpacks the mission statement of the church to glorify God by multiplying transformational churches among all people This concise yet robust biblical theological treatment focuses on God s glory a strong ecclesiology the importance of Scripture and practical implications for congregational and mission practice Ideal for launching discussion and reflection the book helps readers refocus their vision and reignite their commitment to fulfilling God s purposes for their church or mission Reaching People under 30 while

Keeping People over 60 Edward H Hammett,2015-11-10 Seasoned church consultant Edward H Hammett shares his latest insights and suggestions for churches seeking to serve all generations This is an updated version of Hammett s 2007 book *Reaching People Under 40 while Keeping People Over 60* that expands the reach another decade and emphasizes diversity with insight from new contributors Paul L Anderson and Cornell Thomas A TCP Books title *Investigating Political*

Tolerance at Conservative Protestant Colleges and Universities George Yancey,Laurel Shaler,Jerald H. Walz,2019-02-21 This

book aims to investigate the level of political tolerance at conservative Protestant colleges and universities Through innovative and methodologically sophisticated techniques the authors test the political openness of these institutions as a proxy for their willingness to accept opinions that fall outside of those held by their religious community The purpose of this study is to determine if there is an insular environment at conservative Protestant institutions beyond religious obligations or if these institutions are only restrictive as it concerns those theological commitments Drawing from five distinct sets of data the authors demonstrate that conservative Protestant institutions of higher education exhibit more political diversity and political tolerance than other institutions of higher education including elite Research 1 institutions **Uncommon Church**

Alvin Sanders,2020-10-13 In urban ministry Christians too often treat the poor as goodwill projects instead of people How can the people of God develop healthy local urban churches that will seek the common good of their communities In this essential resource Alvin Sanders engages hard truths about urban neighborhoods and provides a model for how to do ministry in difficult conditions Christian Egalitarian Leadership Aída Besançon Spencer,William David

Spencer,2020-10-30 Much has been written on servant leadership but it is not always tied to egalitarian leadership Sometimes authority and power instead of God s love are presented as the core of the Christian faith The church at times derails imitating worldly culture emphasizing entitlement that relies on an innate or permanent human hierarchy of rank Responding to today s conflict over leadership Christian Egalitarian Leadership calls us back to its biblical roots what is Christian egalitarian leadership Why is it biblical How does it work Thoughtful and devout Christian leaders carefully explain how sharing leadership follows God s intentions and is crucial to implement today The theoretical and practical ramifications of these concepts are extended to many areas of the Christian life by numerous qualified individuals women and men of different races and economic and social classes Chapters overview New Testament teachings biblical authority Old Testament and contemporary examples God s intention at creation pagan philosophy s influence on Christian hierarchal leadership multicultural and multi ethnic leadership in the United States and Africa marriage rearing children equipping youth and laity church planting retirement and missions from the cradle to the mission field **NIVAC Bundle 5: Minor**

Prophets Gary V. Smith,James Bruckner,Mark J. Boda,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and

Haggai, Zechariah Mark J. Boda, 2004 The NIV Application Commentary Series The setting Jerusalem Recently returned from Babylonian captivity the Jews are occupied with personal pursuits while the temple of Yahweh lies in ruins To the prophets Haggai and Zechariah falls the task of calling God's people to their forgotten priority rebuilding his house Heeding prophetic admonition the people overcome the obstacles that face them and prosper in their work thanks largely to the vision and encouragement of the prophets The books of Haggai and Zechariah represent a golden period in Old Testament history but they are often overlooked Yet these two minor prophets speak a major message to the church today It is one that calls us as a community of faith to the priority of God's house and inspires us with glimpses of its future glory Exploring the links between the Bible and our own times Mark J Boda shares perspectives on Haggai and Zechariah that reveal their enduring relevance for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our present day context It explains not only what the Bible meant but also how it speaks powerfully today This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible's timeless message speak to this generation

BILLY GRAHAM Some commentaries build walls that isolate you back in the ancient world The NIV Application Commentary builds bridges that make the Bible come alive with meaning for contemporary life and the series does so concisely clearly and accurately No wasted words or academic detours just solid help and practical truth
