Majors,2001 Myers-Briggs Type Indicator: Manual ,1985 The Myers-Briggs Type Indicator Isabel Briggs Myers,Katharine C. Briggs,1977 Designed to implement Jung s theory of type the indicator aims to ascertain people s basic preferences in regard to perception and judgement **The Myers-Briggs Type Indicator** Isabel Briggs Myers,1977

MBTI Manual Isabel Briggs Myers,1998 One consequence of the popularity of the MBTI is that it has become increasingly detached from psychological type theory often to the detriment of the individuals whom it is intended to benefit Reconnecting the MBTI to type theory has critical practical implications and applications In this regard the overall goal of this edition is identical to that of the two editons that preceded it and indeed to that of the Indicator itself to make the theory of psychological types described by Jung understandable and useful in people s lives **A Guide to the Development and Use of the Myers-Briggs Type Indicator** Isabel Briggs Myers,1985
