Apple Store Brooklyn:

The Restless City Joanne Reitano, 2010-07 *The Restless City* A Short History of New York from Colonial Times to the Present is a short lively history of the world's most exciting and diverse metropolis. It shows how New York's perpetual struggles for power, wealth, and status exemplify the vigor, creativity, resilience, and influence of the nation's premier urban center. The updated second edition includes nineteen images and brings the story right up through the mayoral election of 2009. In these pages are the stories of a broad cross section of people and events that shaped the city including mayors and moguls, women and workers and policemen and poets. Joanne Reitano shows how New York has invigorated the American dream by confronting the fundamental economic, political, and social challenges that face every city. Energized by change, enriched by immigrants, and enlivened by provocative leaders, New York City's restlessness has always been its greatest asset.

The Brooklyn Nobody Knows William B. Helmreich, 2016-10-04 Mill Basin, Sunset Park, Borough Park, Bay Ridge, Dyker Heights, Bensonhurst, Bath Beach, Gravesend, Sheepshead Bay, Gerritsen Beach, Manhattan Beach, Brighton Beach, Coney Island. Acknowledgments, Appendix, Notes, Bibliography, Index. Rising from the Ashes Paula Yoo, 2024-05-07 Winner of the YALSA Excellence in Nonfiction Award, A Horn Book Fanfare Best Book of the Year, A Kirkus Reviews Best Book of the Year, A Publishers Weekly Best Book of the Year, A School Library Journal Best Book of the Year, A Chicago Public Library Best of the Best Books of the Year Award. Winning author Paula Yoo delivers a comprehensive kaleidoscopic account of what happened before, during, and after the 1992 Los Angeles uprising. Horn Book Magazine starred review. In the spring of 1992, after a jury returned not guilty verdicts in the trial of four police officers charged in the brutal beating of a Black man, Rodney King, Los Angeles was torn apart. Thousands of fires were set, causing more than a billion dollars in damage. In neighborhoods abandoned by the police, protestors and storeowners exchanged gunfire. More than 12,000 people were arrested and 2,400 injured. Sixty-three died. In *Rising from the Ashes*, award-winning author Paula Yoo draws on the experience of the city's Korean American community to narrate and illuminate this uprising from the racism that created economically disadvantaged neighborhoods torn by drugs and gang-related violence to the tensions between the city's minority communities. At its heart are the stories of three lives and three families: those of Rodney King, of Latasha Harlins, a Black teenager shot and killed by a Korean American storeowner, and Edward Jae Song Lee, a Korean American man killed in the unrest. Woven throughout and set against a minute-by-minute account of the uprising are the voices of dozens of others: police officers, firefighters, journalists, business owners, and activists whose recollections give texture and perspective to the events of those five days in 1992 and their impact over the years that followed. *Don't Knock the Hustle* S. Craig Watkins, 2019-05-07 Offers a timely analysis of the sheer ingenuity and persistence of young people who cobble together the resources they need to pursue the lives and careers they want. Young adults are coming of age at a time when work is temporary, underpaid, incommensurate with their education, or downright unsatisfying. Despite these challenges, media scholar S. Craig Watkins argues that this moment of

precarity is rife with opportunities for innovation and that young adults are leading the charge in turning that into an inventive and surprisingly sustainable future As a result society is expanding its understanding of who we think of as innovators and what qualifies as innovation while wealth is spreading beyond traditional corridors of powerful tech companies venture capitalism and well endowed universities Drawing on over ten years of interviews and data Watkins reveals the radical ways in which this community of ambitious young creatives is transforming businesses from the outside in Diverse perspectives that are often ignored or silenced by major corporations are garnering public attention as women and people of color are redefining industries across the globe all from their computer screens We meet people like Prince Harvey a New York based hip hop artist who recorded his album entirely on an Apple showroom laptop screenwriter producer and actor Issa Rae who first used YouTube and Kickstarter to develop the web series that became her hit HBO show Insecure the Empowerment Plan a nonprofit organization created by product design student Veronika Scott in Detroit and start up companies like Qeyno Group in San Francisco and Juegos Rancheros in Austin that help make tech more accessible to people of color Forward thinking and dynamic Don t Knock the Hustle shows the diversity and complexity of a generation on the rise UNIQUE APPROACH TO UNDERSTANDING MILLENNIALS that looks beyond stereotypes about their relationships with tech and labor based on two years of MacArthur Grant funded research DIVERSE AUDIENCE APPEAL that will reach millennials educators people seeking to hire millennials and scholars of technology media and labor **Time Out New York** Editors of Time Out,2012-07-13 Now in its 20th edition Time Out New York provides the inside track on the Big Apple in an exhaustive guide with illuminating features and hundreds of independent unbiased venue reviews covering everything from iconic skyscrapers to buzzing neighborhoods The guide offers an exhaustive overview of everything the city has to offer in terms of tourist attractions eating and drinking shopping clubs and the sights everything from pizza and bagels to shopping green Comprehensive coverage of the city s incomparable arts and culture scene makes this an invaluable sourcebook for tourists and natives alike An extensive month by month calendar of events is included Escapes and excursions within relatively easy reach for day or overnight trips are also included **Smartphone-Applikationen im Museumsbereich ,**

Retail Market Study 2016 Marc-Christian Riebe,2016-03-01 The Retail Market Study 2016 of The Location Group is the one and only study of its kind With 155 of the most notable international cities of the fashion and retail world on more than 1 000 pages Over 1 300 retailers 1 030 shopping streets and 550 shopping malls were analyzed So far the study reached more than 300 000 readers worldwide *American While Black* Niambi Michele Carter,2019-08-15 What has an expanded immigration regime meant for how blacks express national attachment In this book Niambi Michele Carter argues that immigration both historically and in the contemporary moment has served as a reminder of the limited inclusion of African Americans in the body politic Blacks use immigration as a way to express their concerns about how race operates to structure and constrain their place in the American political landscape Carter draws on original interview material and

empirical data on African American political opinion to offer the first theory of black public opinion toward immigration
