

New Book, 'Voices from the Fallen,' Reveals Rare Insights into Addiction Struggles

Industry: Books

Agawam, MA (PRUnderground) January 12th, 2021

With his latest book, *Voices from the Fallen: True Stories of Addiction, Grief, Recovery and Courage*, author Michael K. Tourville delivers eight heart wrenching true stories of opiate and alcohol addiction in western Massachusetts. Each story is told from the first person point of view, and includes perspectives from family members exasperated with their inability to stop the insanity.

Voices powerfully shows a variety of causes and effects of addiction and the relentless defeat of relapse. Hope and optimism are prevalent, but it does not ignore the harsh reality of tragic outcomes.

"This is truly an eye opening and honest read where the author expertly crafts an emotional and painful dialogue between the addict and their loved ones. Each story does a perfect job of showcasing how substance-abuse can happen to anyone, and shines a light on a growing problem within our world." *Hollywood Book Review*

"Each of the eight stories differ from each other, and even if a reader connects with just one of them, that's all that matters," Tourville said. "If it motivates someone to take action and as a result a life is saved, or a family is healed, then mission accomplished."

Voices from the Fallen is 175 pages and is now available in ebook and print versions at Amazon, Barnes and Noble, and other on-line booksellers.
