Asbury Journal 70 2015:

Rethinking the Relationship between China and the West through a Focus on Literature and Aesthetics

Qingben Li, 2018-10-01 The multi dimensional model of cross cultural research was put forward as an alternative to the model of Sino western dualism which sees China and the West as two entirely different entities In order to break with this dualistic model the spatial dimension should be separated from the temporal dimension allowing the words China and the West to recover their original meaning of spatial dimensions This in turn reconceptualises the equal relationship between China and the West and seeks the possibilities and pathways of cross cultural understanding and dialogue in a global context This book is composed of two parts the spatial dimension of cross cultural research and the temporal dimension of cross cultural research The first discusses globalization and China s cultural identity cross cultural literary research between China and the West a circular model of cross cultural research focusing on literary adaptations integrating Chinese literature into world literature appreciating Chinese poetry from a cross cultural perspective and the three models of nature appreciation In part two the book explores the Book of Changes from the perspective of modern aesthetics original Confucianism literary theory and aesthetics the Han dynasty s Confucianism literary theory and aesthetics New Confucianism literary theory and aesthetic Beijing city s culture and China s short film and socialistic cultural productions *Holiness and Pentecostal*

Movements David Bundy, Geordan Hammond, David Sang-Ehil Han, 2022-03-04 Since the 1830s Holiness and Pentecostal movements have had a significant influence on many Christian churches and they have been a central force in producing what is known today as World Christianity This book demonstrates the advantages of analyzing them in relation to one another The Salvation Army the Church of the Nazarene the Wesleyan Church and the Free Methodist Church identify strongly with the Holiness Movement The Assemblies of God and the Pentecostal Assemblies of the World identify just as strongly with the Pentecostal Movement Complicating matters denominations such as the Church of God Cleveland the International Holiness Pentecostal Church and the Church of God in Christ have harmonized Holiness and Pentecostalism This book the first in the new series Studies in the Holiness and Pentecostal Movements examines these complex relationships in a multidisciplinary fashion Building on previous scholarship the contributors provide new ways of understanding the relationships influences and circulation of ideas among these movements in the United States the United Kingdom India and Southeast and East Asia In addition to the editors the contributors are Kimberly Ervin Alexander Insik Choi Robert A Danielson Chris E W Green Henry H Knight III Frank D Macchia Luther Oconer Cheryl J Sanders and Daniel Woods *Transatlantic Charismatic Renewal, c.1950-2000*, 2021-07-05 In *Transatlantic Charismatic Renewal c 1950 2000* Andrew Atherstone Mark Hutchinson and John Maiden bring together leading researchers to examine one of the globally most important religious movements of the twentieth century Various referred to as the charismatic renewal or revival it was a key Christian response to globalization modernity and secularization Unlike other accounts which focus either on

denominational pentecostalism or charismatic phenomena outside the West this volume describes transatlantic Christianity drawing deeply on its pneumatic roots to bring about renewal New research in archives and overlooked journals illuminate key figures from David du Plessis to John Wimber providing insights which challenge the standard interpretations of the charismatic movement's origins and influence **Spirit Hermeneutics** Keener, 2016 How do we hear the Spirit's voice in Scripture Once we have done responsible exegesis how may we expect the Spirit to apply the text to our lives and communities In **Spirit Hermeneutics** biblical scholar Craig Keener addresses these questions carefully articulating how the experience of the Spirit that empowered the church on the day of Pentecost can and should dynamically shape our reading of Scripture today Keener considers what Spirit guided interpretation means explores implications of an epistemology of Word and Spirit for biblical hermeneutics and shows how Scripture itself models an experiential appropriation of its message Bridging the Word Spirit gap between academic and experiential Christian approaches **Spirit Hermeneutics** narrates a way of reading the Bible that is faithful both to the Spirit inspired biblical text and the experience of the Spirit among believers from book flap

Transcendence at the Table Julia Hurlow, 2020-10-29 When is the last time you sat down for a meal to break bread with other people and experienced peace Throughout the arc of the scriptural narrative the word shalom is used as a way to speak of the way of peace This word shalom embodies the depiction of creation where all things would glorify to the Triune God as well as bear the image of the Triune God who seamlessly embraces love and belonging What if the universal space at a table is where shalom is experienced relationally What if the longing people have for love and belonging can be extended through hospitality at a table Unification can happen when invitations are extended to come participate and communicate at the table as a reflection of the Imago Dei

teachings where the themes of inclusion love and unity take center stage The generous even lavish nature of John Wesley s practical theology reveals the freedom and outgoing love of the divine Being who calls forth people to overcome the divisions and tribalism of group life This gracious call reveals the very universality of the gospel and has the cumulative effect of praise arising of a doxological celebration of a God of holy love who is the fount of it all In *Generous Divine Love* you ll find it approachable yet deeply enriching offering just the right balance of depth and clarity

The Genevan Reveil in International Perspective Jean D. Decorvet, Tim Grass, Kenneth J. Stewart, 2023-09-01 The nineteenth century international religious movement known as the Reveil had a major impact on Protestantism and particularly on Evangelicalism That impact is still evident today Yet as a multi faceted phenomenon this movement has not received its due share of scholarly attention This book offers a collection of essays exploring the international dimensions of the Genevan strand of the Reveil providing an overview of events and trends outlining the careers of some of its key figures and highlighting some of the areas in which it made a contribution to contemporary society As the first such collection to focus on this movement it brings together scholars from several countries with expertise in its various aspects

The Supper Ronald P. Hesselgrave, 2019-09-17 The Lord s Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God s grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God s present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God s plan of redemption Hesselgrave brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church
