

A sepia-toned photograph of a man and a woman in a flooded street. The man, wearing a light-colored jacket and dark trousers, is leaning forward, holding the woman's hand. The woman is wearing a dark dress and is partially submerged in the water. In the background, a large, multi-story brick building with many windows stands on the opposite side of the street. The water is rippling, and the overall scene has a historical, grainy quality.

Ash On A Young Mans Sleeve Library Of Wales:

Ash on a Young Man's Sleeve Dannie Abse, 1969 In the Green Tree Alun Lewis, 2006 Through his letters home and six short stories Alun Lewis paints a vibrant picture of life in India as a British serviceman during World War II Intimate vivid observational and always filled with emotion this is a rare literary example of one Welshman s experience of empire and war

The Incandescent Threads Richard Zimler, 2022-07-04 ONE OF THE SUNDAY TIMES BEST HISTORICAL FICTION BOOKS OF 2022 Zimler is an honest powerful writer The Guardian A memorable portrait of the search for meaning in the shadow of the Shoah The Sunday Times From the acclaimed author of The Last Kabbalist of Lisbon and The Warsaw Anagrams comes an unforgettable deeply moving ode to solidarity heroism and the kind of love capable of overcoming humanity s greatest horror Maybe none of us is ever aware of our true significance Benjamin Zarco and his cousin Shelly are the only two members of their family to survive the Holocaust In the decades since each man has learned in his own unique way to carry the burden of having outlived all the others while ever wondering why he was spared Saved by a kindly piano teacher who hid him as a child Benni suppresses the past entirely and becomes obsessed with studying kabbalah in search of the Incandescent Threads nearly invisible fibres that he believes link everything in the universe across space and time But his mystical beliefs are tested when the birth of his son brings the ghosts of the past to his doorstep Meanwhile Shelly devastatingly handsome charming and exuberantly bisexual comes to believe that pleasures of the flesh are his only escape and takes every opportunity to indulge his desires That is until he begins a relationship with a profoundly traumatised Canadian soldier and artist who helped to liberate Bergen Belsen and might just be connected to one of the cousins departed kin Across six non linear mosaic pieces we move from a Poland decimated by World War II to modern day New York and Boston hearing friends and relatives of Benni and Shelly tell of the deep influence of the beloved cousins on their lives For within these intimate testimonies may lie the key to why they were saved and the unique bond that unites them Rarely is a novel published that evidences such extraordinary literary talent AN ABSOLUTE MASTERPIECE A oriano Oriental **The Withered Root** Rhys Davies, 2007 The Withered Root is the story of the last great Welsh revival a religious thrust of feeling chapels and coal mines righteous fervour and fertile febrile carousal which swept across Wales in the year of the Lord 1904 The Revival is led by the young charismatic Reuben Daniel a Welsh speaking collier preacher He is a young man full of life and its desires but still unsure of its meaning Reuben is absorbed driven to expound the gospel and seek out the devil wherever or whoever that may be in his quest for conversion He progresses from the village pulpit at the head of a small band of followers called The Corinthians to Valley s saviour and beyond in a few hectic months of sermons pilgrimage and passion But in the new world of salvation there is conflict between the physical and the spiritual as Reuben s odyssey becomes a test for his mind body and soul Book Jacket **Hunting Midnight** Richard Zimler, 2023-02-08 Zimler is an honest powerful writer The Guardian pacy and accessible deeply moving The Observer At the dawn of the nineteenth

century John Stewart Zarco lives out an inquisitive naive childhood in his idyllic Porto community But societal prejudices against his family s Jewish faith shatter his innocence and even come to threaten his life Following the tragic death of his dearest friend it is only his unlikely bond with Midnight an African healer and freed slave that restores a sense of safety But this fragile fleeting peace is destroyed when Napoleon s armies invade Portugal and John suffers another devastating loss one rooted in unspeakable betrayal and authored by those closest to him The revelation sets John on course for antebellum America in what might ultimately prove to be a doomed quest for hope amid unspeakable cruelty and sin Rich in historical detail and mysticism Hunting Midnight is Richard Zimler s mesmerising tale of deception guilt forgiveness and devotion played out against a backdrop of war slavery and religious oppression I defy anyone to put this book down It is a wonderful novel a big bold hearted love story that will sweep you up and take you uncomplaining on a journey full of heartbreak and light Nicholas Shakespeare A gripping adventure story which can also be read at deeper levels The Independent Zimler packs his tale with exotic detail absorbing Publishers Weekly [Sugar and Slate](#) Charlotte Williams,2023-05-25 It is Williams s Welshness that makes the examination of her mixed race identity distinctive but it is the humour candour and facility of her style that make it exceptional an engaging and perceptive voice describing an engrossing and particular personal story Gary Younge In its exploration of geographical racial and cultural dislocation Sugar and Slate is in the finest tradition of work to have emerged from the black diaspora in recent times The Guardian Within this review I can only scrape the surface of the many dimensions of Williams memoir so I strongly encourage you to read this precious book for yourself and find those parts of it which speak most to you Sarah Tanburn Nation Cymru Warmly recommended to any curious minds at 20 years old Sugar And Slate still speaks to us in these modern times helping to ensure marginal voices remain heard Buzz A mixed race young woman the daughter of a white Welsh speaking mother and black father from Guyana grows up in a small town on the coast of north Wales From there she travels to Africa the Caribbean and finally back to Wales Sugar and Slate is a story of movement and dislocation in which there is a constant pull of to ing and fro ing going away and coming back with always a sense of being half home This is both a personal memoir and a story that speaks to the wider experience of mixed race Britons It is a story of Welshness and a story of Wales and above all a story for those of us who look over our shoulder across the sea to some other place It would have been so much easier if I had been able to say I come from Africa then maybe added under my breath the long way round Instead the Africa thing hung about me like a Welsh Not a heavy encumbrance on my soul a Not identity an awkward reminder of what I was or what I wasn t Once at a seminar one of those occasions when the word Diaspora crops up too many times and where there aren t too many of us present the only other Diaspora person sought me out His eyes caught mine in recognition of something I can t say I could name yet I must have responded because later as we chatted over fizzy water and conference packs he offered quite uninvited and with all the authority of an African People like you You gotta get digging and if you dig deep enough you re gonna find Africa **Poetry**

1900-2000 Meic Stephens, 2007 Poetry 1900 2000 brings together a vibrant expression of the industrial pastoral rural urban religious political and linguistic experience of Wales in the twentieth century world The poetry collected here is as varied as Wales itself and ranges from the well known to the startling from the lyrical to the experimental the celebration of tradition to that of protest Each poet's biography situates the writer in a social and literary context and the collection presents an unparalleled panorama of the development of Welsh poetry in English in the twentieth century Book Jacket **The New Companion to the Literature of Wales** Meic Stephens, 1998 Wales though a small country has a literature amongst the oldest in Europe With nearly 3 300 entries this volume provides a reference to Anglo Welsh and Welsh literature **The Oxford Companion to the Literature of Wales** Meic Stephens, 1986 For a small land Wales has produced an extraordinarily large and accomplished body of literature The Oxford Companion to the Literature of Wales provides an excellent guide to Welsh literary heritage ranging from the Druids and the days of King Arthur to the present day flowering of Welsh national consciousness In a little less than 3 000 entries it captures the complexities of Welsh poetic art the lives and achievements of its greatest writers the myths legends and colorful folktales and the events and movements that have informed its history A wealth of detailed information the Companion is indispensable for anyone interested in the literature and culture of Wales **Rhys Davies** Meic Stephens, 2001 Rhys Davies dedicated his life to writing and is regarded as one of the most accomplished Welsh prose writers in English This volume contains essays on major aspects of his life and work from the literary social and national contexts within which he wrote to issues of gender sexuality and race
