Ashamed Of The Gospel When The Church Becomes Like The World:

Ashamed of the Gospel John MacArthur,1993-01-01 In this book John MacArthur laments the drift of American Christianity towards compromise with culture and issues a call for the church to recover its prophetic unadulterated voice in order to have a renewed impact on society

Ashamed of the Gospel John MacArthur,1999-03 A warning against preaching and teaching a candy coated gospel that neither offends nor convicts anyone Challenges the church to return to the roots of the Great Commission

Evaluating the Church Growth Movement Zondervan,2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

[Luke 6:40 and the Theme of Likeness Education in the New Testament](#) Thomas W. Hudgins,2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6 40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6 40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6 40 and its immediate context 2 Luke Acts and 3 the New Testament corpus

[Confessions of a Wanna-Be Megachurch Pastor: I was wrong about the Seeker-Sensitive Movement](#) , **A Commentary on The Baptist Faith and Message 2000** T. J. Milam,2008 **The Subversive Evangelical** Peter J. Schuurman,2019-06-30 Evangelicals have been scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Walmarts In The Subversive Evangelical Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist

megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith The Impact of Church Consultancy Ian G. Duncum,2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in detail This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy This is a significant book for denominational leaders theological lecturers pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities *The Great Enterprise from a Reformed Perspective* Jason N. Bolt,2012-06-08 Thoroughly God centric and Bible saturated this book is a plea for the church and her missionaries to return to the biblical mandate and prescription for missionary activity In God s infinite wisdom he has determined to ransom men from among every tribe tongue people and nation through the proclamation of the gospel This is the greatest enterprise ever undertaken in human history and it will culminate in success God will see to it The church has a principal role to play in the enterprise but that role is not one of global philanthropy The modern view of missionary activity has robbed missionaries of the authority to preach the gospel and has left the nations wanting of the joy of salvation but there is yet time The modern church may still find great success in the spread of the gospel to the remotest part of the earth All that is necessary is that we would seek the revealed will of God in the Scriptures and put into practice that which it requires **Charismatic and Expository Preaching** Lewis D. Mathis,2022-05-11 The purpose of this study on charismatic and expository preaching is to find the common ground of the two preaching methods and solidify them into a sound biblical and theological preaching method that will edify the body of Christ and lead to growth for local churches To solidify charismatic and expository

preaching it is necessary to explore the hermeneutical exegetical and homiletical issues that divide the two methods regarding the work of the Holy Spirit and the gifts the Spirit bestows to believers for ministry Charismatic interpretations concerning the gifts of the Spirit revolve around speaking in tongues as the primary identifier of being filled with the Spirit which most expository preachers and scholars view as an incorrect interpretation This study seeks to answer these problems in the quest of unifying both preaching methods
