Asian Borderlands The Transformation Of Qing Chinas Yunnan Frontier:

Asian Borderlands Charles Patterson Giersch, 2006 With comparative frontier history and pioneering use of indigenous sources Giersch provides a groundbreaking challenge to the China centered narrative of the Qing conquest He focuses on the Tai domains of the Yunnan frontier on the politically fluid borderlands where local indigenous leaders were crucial actors in an arena of imperial rivalry *China's Encounters on the South and Southwest* James A. Anderson, John K.

Whitmore, 2014-11-06 *China's Encounters on the South and Southwest Reforging the Fiery Frontier Over Two Millennia* discusses the mountainous territory between lowland China and Southeast Asia what we term the Dong world and varied encounters by China with this world's many elements The essays describe such encounters over the past two millennia and note various asymmetric relations that have resulted therefrom Local populations indigenous chiefs state officials and rulers have all acted to shape this frontier especially after the Mongol incursions of the thirteenth century drastically shifted it This process has moved from the alliances of the Dong world to the indirect rule of the Tusi native official age to the Qing and recent Gaitu Guilou efforts at direct rule by the state placing regular officials in charge there The essays detail the complexities of this frontier through time space and personality particularly in those instances as today on land and sea when China elects to pursue an aggressive policy in this direction Contributors include Brantly Womack Kenneth MacLean Amy Holmes Tagchungdarpa Bradley Davis Jaymin Kim Alexander Ong Joseph Dennis Sun Laichen John K Whitmore Kathlene Baldanza Kenneth M Swope Michael Brose James A Anderson Liam Kelley and Catherine Churchman A Companion to Chinese History Michael Szonyi, 2017-02-06 *A Companion to Chinese History* presents a collection of essays offering a comprehensive overview of the latest intellectual developments in the study of China's history from the ancient past up until the present day Covers the major trends in the study of Chinese history from antiquity to the present day Considers the latest scholarship of historians working in China and around the world Explores a variety of long range questions and themes which serves to bridge the conventional divide between China's traditional and modern eras Addresses China's connections with other nations and regions and enables non specialists to make comparisons with their own fields Features discussion of traditional topics and chronological approaches as well as newer themes such as Chinese history in relation to sexuality national identity and the environment

China's Route Heritage Gary Sigley, 2020-11-09 *China's Route Heritage* examines the creation development and proliferation of the route heritage discourse of the Ancient Tea Horse Road Chamagudao in the People's Republic of China Examining the formation of the tea horse road as a concept its development as a platform for cultural branding and its most recent interactions with the policy of the Belt and Road Initiative BRI and the revival of the discourse on the Silk Roads the book demonstrates that the tea horse road is an important part of the discourse on Chinese modernity Describing the route heritage of the tea horse road as a mobility narrative whereby an ancient route is used to form a narrative of ethnic unity and cooperation the book demonstrates that the study of such heritage offers unique

insights into issues that are of concern to the wider field of critical heritage studies Sigley also shows how the study of alternative route heritage enables us to gain a broader sense of route heritage discourse and its implications for the discussion of historical present and future forms of mobility and connectivity within China and beyond its borders China's Route Heritage should be of interest to researchers and postgraduate students who are engaged in the study of heritage China the Silk Roads and the BRI politics international relations and tourism

Across Colonial Lines Devyani Gupta, Purba Hossain, 2023-02-09 *Across Colonial Lines* takes a multi perspective approach to the study of empire and commodities and encourages readers to look at commodity histories in alternative spatial and temporal contexts It offers a comparative understanding of commodities in the Venetian Portuguese Dutch French and British Empires Highlighting the interwoven character of multiple commodity networks this book situates commodities like gold coffee tea and indigo to name a few within pre existing networks of labour consumption and knowledge production It explores the nexus between the local and the global and highlights the role played by individual producers petty traders sailors and even consumers in creating regional circulations within a global political economy In this volume commodity networks are not just sites of production and trade but also of political control social organisation and consumption choices They provide the impetus for globalisation from as early as the thirteenth century Each chapter takes an individual commodity to illustrate the history of commodity transmission within imperial contexts From early modern Venetian commerce to the trade networks of the Eurasian world from the trading ambitions of British sailors to Portuguese global imperial ambitions from the cross imperial knowledge networks of indigo to the assertion of indigenous agency in Angola and from the commodification of labour to the experience of tourism in the Caribbean and Indian Ocean World *Across Colonial Lines* uses commodity networks as a lens to study empire building across varied yet connected geographies and chronologies

Chinese Diasporas Steven B. Miles, 2020-02-20 A concise and compelling survey of Chinese migration in global history centered on Chinese migrants and their families

Staging Personhood Guojun Wang, 2020-04-07 After toppling the Ming dynasty the Qing conquerors forced Han Chinese males to adopt Manchu hairstyle and clothing Yet China's new rulers tolerated the use of traditional Chinese attire in performances making theater one of the only areas of life where Han garments could still be seen and where Manchu rule could be contested *Staging Personhood* uncovers a hidden history of the Ming Qing transition by exploring what it meant for the clothing of a deposed dynasty to survive onstage Reading dramatic works against Qing sartorial regulations Guojun Wang offers an interdisciplinary lens on the entanglements between Chinese drama and nascent Manchu rule in seventeenth century China He reveals not just how political and ethnic conflicts shaped theatrical costuming but also the ways costuming enabled different modes of identity negotiation during the dynastic transition In case studies of theatrical texts and performances Wang considers clothing and costumes as indices of changing ethnic and gender identities He contends that theatrical costuming provided a productive way to reconnect bodies clothes and identities disrupted by

political turmoil Through careful attention to a variety of canonical and lesser known plays visual and performance records and historical documents *Staging Personhood* provides a pathbreaking perspective on the cultural dynamics of early Qing China

Border Studies Thomas M. Wilson, 2025-08-11 This multidisciplinary book provides a diverse overview of social science approaches to geopolitical borders social boundaries and cultural frontiers An array of esteemed specialists examine political imaginaries of border security and identify methodological innovations that will enhance future scholarly work in the field They also discuss the multiplicity of borders with a view to addressing the question how far have we come

The Age of Revolutions in Global Context, c. 1760-1840 David Armitage, Sanjay Subrahmanyam, 2009-12-18 A distinguished international team of historians examines the dynamics of global and regional change in the late eighteenth and nineteenth centuries Providing uniquely broad coverage encompassing North and South America the Caribbean Europe Africa the Middle East South and Southeast Asia and China the chapters shed new light on this pivotal period of world history Offering fresh perspectives on The American French and Haitian Revolutions The break up of the Iberian empires The Napoleonic Wars The volume also presents ground breaking treatments of world history from an African perspective of South Asia s age of revolutions and of stability and instability in China The first truly global account of the causes and consequences of the transformative Age of Revolutions this collection presents a strikingly novel and comprehensive view of the revolutionary era as well as rich examples of global history in practice
