Colleen McDannell

Asian Religions In Practice An Introduction Princeton Readings In Religions:

Asian Religions in Practice Donald S. Lopez, Jr., 2020-06-30 Princeton Readings in Religions is a new series of anthologies on the religions of the world representing the significant advances that have been made in the study of religions in the last thirty years This volume brings together the introductions to the first five volumes of this acclaimed series Religions of India in Practice 1995 Buddhism in Practice 1995 Religions of China in Practice 1996 Religions of Tibet in Practice 1997 and Religions of Japan in Practice 1999 The introductions to these volumes have been widely praised for their accessible clear and concise overviews of the religions of Asia providing both historical context and insightful analysis of Hinduism Jainism Sikhism Islam Buddhism Confucianism Taoism Shinto and Bon as well as many local traditions The authors of the chapters are leading scholars of Asian religions Richard Davis India Stephen Teiser China George Tanabe Japan and Donald Lopez Buddhism and Tibet They bring together the best and most current research on their topics while series editor Donald Lopez provides an introduction to the volume as a whole In addition to providing a wealth of detail on the history doctrine and practice of the religions of Asia the five chapters offer an opportunity for sustained discussions of the category of religion

Religions of Asia in Practice Donald S. Lopez, 2002 The acclaimed volumes of Princeton Readings in Religions present the remarkable range of all that is encompassed in the practice of religions across the centuries and across the world Religions of Asia in Practice An Anthology brings together into a single volume the most important and fascinating selections from the volumes on Buddhism India China Tibet and Japan to give an overview of how religions have been lived by both ordinary and extraordinary people throughout the continent of Asia These materials many of which had never before been translated into any Western language include ritual manuals hagiographical and autobiographical writings popular commentaries instructions to children poetry and folktales Each is preceded by a substantial introduction in which the translator discusses the text s history and influence and guides the reader through points of potential difficulty and particular interest The volume includes in addition clear and compelling introductions to each of the major traditions Religions of Asia in Practice An Anthology offers a fascinating look at the spectrum of religious practices in Asia over almost three millennia As such it is ideally suited for use as a textbook in courses on world or Eastern religions as well as for the general reader

Religions of Asia in Practice Donald S. Lopez, Jr., 2018-06-05 The acclaimed volumes of Princeton Readings in Religions present the remarkable range of all that is encompassed in the practice of religions across the centuries and across the world Religions of Asia in Practice An Anthology brings together into a single volume the most important and fascinating selections from the volumes on Buddhism India China Tibet and Japan to give an overview of how religions have been lived by both ordinary and extraordinary people throughout the continent of Asia These materials many of which had never before been translated into any Western language include ritual manuals hagiographical and autobiographical writings popular commentaries instructions to children poetry and folktales Each is preceded by a substantial introduction in which the

translator discusses the text's history and influence and guides the reader through points of potential difficulty and particular interest. The volume includes in addition clear and compelling introductions to each of the major traditions. *Religions of Asia in Practice: An Anthology* offers a fascinating look at the spectrum of religious practices in Asia over almost three millennia. As such, it is ideally suited for use as a textbook in courses on world or Eastern religions as well as for the general reader.

Religions of Korea in Practice Robert E. Buswell Jr., 2018-06-05 Korea has one of the most diverse religious cultures in the world today with a range and breadth of religious practice virtually unrivaled by any other country. This volume in the Princeton Readings in Religions series is the first anthology in any language including Korean to bring together a comprehensive set of original sources covering the whole gamut of religious practice in both premodern and contemporary Korea. The book's thirty-two chapters help redress the dearth of source materials on Korean religions in Western languages. Coverage includes shamanic rituals for the dead and songs to quiet fussy newborns, Buddhist meditative practices and exorcisms, Confucian geomancy and ancestor rites, contemporary Catholic liturgy, Protestant devotional practices, internal alchemy, training in new Korean religions, and North Korean Juche self-reliance ideology, an amalgam of Marxism and Neo-Confucian filial piety focused on worship of the father, Kim Il Sung. *Religions of Korea in Practice* provides substantial coverage of contemporary Korean religious practice, especially the various Christian denominations and new indigenous religions. Each chapter includes an extensive translation of original sources on Korean religious practice accompanied by an introduction that frames the significance of the selections and offers suggestions for further reading. This book will help any reader gain a better appreciation of the rich complexity of Korea's religious culture.

Religions of Tibet in Practice Donald S. Lopez, Jr., 2018-06-05 Originally published in 1997, *Religions of Tibet in Practice* is a landmark work, the first major anthology on the topic ever produced. This new edition, abridged to further facilitate course use, presents a stunning array of works that together offer an unparalleled view of the Tibetan religious landscape over the centuries. Organized thematically, the twenty-eight chapters are testimony to the vast scope of religious practice in the Tibetan world, past and present. *Religions of Tibet in Practice* remains a work of great value to scholars, students, and general readers.

The Oxford Handbook of Feminist Theology Mary McClintock Fulkerson, Sheila Briggs, 2012 This volume highlights the relevance of globalization and the insights of gender studies and religious studies for feminist theology. It focuses on the changing global contexts for the field and its movement towards new models of theology distinct from the forms of traditional Christian systematic theology and of secular feminism.

Religions of the United States in Practice, Volume 1 Colleen McDannell, 2018-06-05 *Religions of the United States in Practice* is a rich anthology of primary sources with accompanying essays that examines religious behavior in America. From praying in an early American synagogue to performing Mormon healing rituals to debating cremation, Volume 1 explores faith through action from Colonial times through the nineteenth century. The documents and essays consider the religious practices of average people: praying, singing, healing, teaching.

imagining and persuading Some documents are formal liturgies while other texts describe more spontaneous religious actions Because religious practices also take place in the imagination dreams visions and fictional accounts are also included Accompanying each primary document is an essay that sets the religious practice in its historical and theological context making this volume ideal for classroom use and accessible to any reader The introductory essays explain the various meanings of religious practices as lived out in churches and synagogues in parlors and fields beside rivers on lecture platforms and in the streets Religions of the United States in Practice offers a sampling of religious perspectives in order to approximate the living texture of popular religious thought and practice in the United States The history of religion in America is more than the story of institutions and famous people This anthology presents a more nuanced story composed of the everyday actions and thoughts of lay men and women
