Assassinations Of John And Robert Kennedy:

The Assassinations of John & Robert Kennedy Leroy Hayman, 1976 *The Kennedy Assassinations* John F. Kennedy Library, 1983 *The Road to Dallas* David Kaiser, 2009-11-30 The assassination of President Kennedy was an appalling and grisly conspiracy Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government's campaign against organized crime and the furtive quest of two administrations to eliminate Castro *The Kennedy Assassinations* Mel Ayton, 2022-07-19 Few events have been the subject of more conspiracy theories than the assassinations of the two Kennedy brothers Indeed a great many people consider that there were other individuals than Lee Harvey Oswald and Sirhan Sirhan involved in both murders Was a shot fired from Dealey Plaza's grassy knoll Why did Jack Ruby shoot Oswald Was it the CIA the Soviets Cuban nationalists or the Mafia that arranged John Kennedy's assassination Was Robert Kennedy shot from in front and behind and who had the most to gain from his death These are just a few of the questions that have been put forward by a myriad of conspiracy theorists and it is those people and their ideas that Mel Ayton has tackled head on Over many years Mel Ayton has examined all the more substantial conspiracy theories and through careful analysis of documents and eyewitness statements he has demolished each one In each case Mel Ayton presented the results of his detailed investigations in periodicals as he worked through the various theories These have now been brought together to provide a comprehensive analysis of all the main theories as to who how and why the two Kennedy brothers met their deaths in such unusual circumstances Though wild ideas will continue to be proposed and efforts will still be made to demonstrate that Oswald could not have fired off three shots with great accuracy in the few seconds available to him as the presidential cavalcade passed beneath the window where he crouched or that there were sinister reasons why three CIA men were allegedly present on the night of Robert Kennedy's assassination the harsh reality is that the Kennedy brothers were each killed by lone gunmen This is an absorbing read brought up to date with the addition of new material as it has been uncovered Maybe just maybe this book will persuade people that the official accounts of both murders although flawed are not cover ups but simply statements of fact **Ultimate Sacrifice** Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews *Ultimate Sacrifice* re-creates and in many ways rewrites the crucial period of our history leading up to November 22 1963 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy *Ultimate Sacrifice* details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from any previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA's code name for their part of the operation AMWORLD has never previously

surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history Ultimate Sacrifice will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK's assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys' closest Cuban exile aide Harry Ruiz Williams

The Assassination of John F. Kennedy Alice George, 2012-11-12 On November 22nd 1963 the assassination of President John F Kennedy set into motion a series of events that irrevocably changed American politics and culture The media frenzy spawned by the controversy surrounding the death of JFK has since given way to a powerful public memory that continues to shape the way we understand politics the 1960s and the nation In The Assassination of John F Kennedy Political Trauma and American Memory Alice George traces the events of Kennedy's assassination and Lyndon B Johnson's subsequent ascension to the presidency Covering both the political shifts of the time and the cultural fallout of the national tragedy this book introduces students of the twenty first century to both an iconic event and to the context in which that event was heralded as iconic Drawing on newspaper articles political speeches letters and diaries George critically re-examines the event of JFK's death and its persistent political and cultural legacy

The Kennedy Assassinations Mel Ayton, 2022-07-19 Few events have been the subject of more conspiracy theories than the assassinations of the two Kennedy brothers Indeed a great many people consider that there were other individuals than Lee Harvey Oswald and Sirhan Sirhan involved in both murders Was a shot fired from Dealey Plaza's grassy knoll Why did Jack Ruby shoot Oswald Was it the CIA the Soviets Cuban nationalists or the Mafia that arranged John Kennedy's assassination Was Robert Kennedy shot from in front and behind and who had the most to gain from his death These are just a few of the questions that have been put forward by a myriad of conspiracy theorists and it is those people and their ideas that Mel Ayton has tackled head on Over many years Mel Ayton has examined all the more substantial conspiracy theories and through careful analysis of documents and eyewitness statements he has demolished each one In each case Mel Ayton presented the results of his detailed investigations in periodicals as he worked through the various theories These have now been brought together to provide a comprehensive analysis of all the main

theories as to who how and why the two Kennedy brothers met their deaths in such unusual circumstances Though wild ideas will continue to be proposed and efforts will still be made to demonstrate that Oswald could not have fired off three shots with great accuracy in the few seconds available to him as the presidential cavalcade passed beneath the window where he crouched or that there were sinister reasons why three CIA men were allegedly present on the night of Robert Kennedy's assassination the harsh reality is that the Kennedy brothers were each killed by lone gunmen This is an absorbing read brought up to date with the addition of new material as it has been uncovered Maybe just maybe this book will persuade people that the official accounts of both murders although flawed are not cover ups but simply statements of fact *The Assassinations* James DiEugenio, Lisa Pease, 2003-02-01 Probing deep into four hidden histories the material released should dispel any notions of lone nuts or coincidence These articles cut a clear path through the thick jungle of disinformation that has grown around these events and expose the truly hideous teratomas that thrive and bloom under the canopy of national security New York Press *Assassinations, Threats, and the American Presidency* Ronald L. Feinman, 2015-08-06 Throughout American history Presidents and Presidential candidates have faced countless assassination threats and attempts on their lives These threats have extended not only to sitting Presidents and candidates but also to Presidents elect and former Presidents Assassinations Threats and the American Presidency From Andrew Jackson to Barack Obama walks through Presidential history looking at the countless assassination threats and attempts that have occurred throughout history Historian Ronald L Feinman discusses the Presidencies of sixteen Presidents as well as three important candidates and five living Presidents today and how they were directly threatened with assassination ranging from the first known threat to Andrew Jackson in 1833 to threats to Barack Obama in late 2014 All nineteen of these Presidents and candidates were threatened with assassination six being killed three wounded and ten unhurt Additionally he reveals information about some failed attempts which had they been successful could have resulted in fifteen different men who would have become President of the United States Which ones would have been able to fill the responsibilities Which ones would have been disastrous in the Oval Office Assassination attempts both successful and failures have been part of our political culture for over 180 years and the problem of Presidential security safety and protection remains a serious problem today With the President being faced with countless death threats the Secret Service and FBI are forced to employ all kinds of technological methods to protect our Chief Executive and his family as well as other top officials in the line of succession Feinman brings to light how these agencies have grown both technologically and physically to counter these attacks He also sheds light on how these threats to our Presidency have devastated changed and grown our United States into what it is today **Who Really Killed JFK, MLK, RFK?** Therlee Gipson, 2018-09-02 John F Kennedy JFK was assassinated because of his Civil Rights agenda to integrate public Schools which Supreme Court Ruled in 1954 that segregated Schools were unconstitutional Whites at that time believe mixing the Race are Communism to this day some White hate Communism because it give Blacks

equal opportunity I believe Lee Harvey Oswald was the lone gunman and he probably was part of a conspiracy with some of the CIA FBI and Law enforcement in Dallas which allowed Oswald to assassinate JFK to stop integration of the Races Martin Luther King The FBI told MLK to stop his Civil Rights actions or their would be consequences King being against the War In Viet Nam divided his support of some Black Leaders who told him to stay with Civil Rights only and not get involved in Political and Foreign problems King ignored them all and sealed his fate in Memphis
