Astaroth A Harbinger Series Novella:

Astaroth Jennifer Field, 2015-11-24 Abigale Colebrook married a man she thought would sweep her off her feet and into the lap of luxury Only the man he portrayed was very different from the man he really was Dark secrets lay within the Colebrook Estate and she finds herself being used as nothing more than a pawn in Lairds sick games That is until a handsome stranger rings their doorbell He was sent by Pesta to meet Laird Colebrook and locate the legendary statue of Asher and Faye but no relic could compare to the blonde beauty that swept into his heart The moment he laid eyes on Abigale Colebrook he knew he had to have her And the moment he kissed her he knew no one would get in his way It didn't matter that her husband was the very man he came to do business with the very man who controlled her every move He was Astaroth one of the seven princes of the underworld commander of forty legions and the leader of the seven armies no one could take from him what he desired Astaroth Marcel Jouhandeau, 1960
