Basic Surviving Boot Camp And Basic Training:

Basic Jack Jacobs, David Fisher, 2024-09-04 The award winning author and Medal of Honor recipient shares an insider's history of bootcamp that's authentic, entertaining, and often funny as hell. Corporal Brian Dennehy Ret. Every American fighting man and woman share one thing in common: they have all survived basic military training. Basic tells the story of that training. Col Jack Jacobs and co-author David Fisher recount the funny, sad, dramatic, poignant, and sometimes crazy history of how America has trained its military, told through the personal accounts of those who remember the experiences as if they happened yesterday. If you've been through bootcamp, these memories of drill instructors, marching chants, combat training, hospital corners, and the shared feeling of triumph are guaranteed to make you smile. And those who haven't done it will understand and appreciate this life-changing experience that turns a civilian into a soldier and in just eight weeks. **Basic: Surviving Boot Camp and Basic Training** Jack Jacobs, David Fisher, 2012-05-08 Presents a description of basic training in the American military, describing how the eight-week course imparts key physical, mental, and disciplinary skills to turn trainees into order-ready soldiers. *The Ultimate Air Force Basic Training Guidebook* Nicholas Van Wormer, 2010-11-15 A week-by-week guide to surviving boot camp includes interviews with recent graduates, recruiters, and instructors. Air Force basic training is challenging both mentally and physically. The Ultimate Guide to Air Force Basic Training shows you step-by-step how to survive and thrive in today's basic training program. Beginning with the recruiting process and taking you all the way through basic training graduation day, this book answers your questions and helps alleviate your fears and concerns as you enter this new and exciting period of your life. Senior Airman Nicholas Van Wormer's book is a fresh and updated insider's view of what you will encounter and how to perform in order to graduate at the top of your class. It also includes interviews with recent basic training graduates, recruiters, and even military training instructors to better provide you with the most detailed guide to Air Force basic training ever published. It also explains acronyms and terms, mistakes to avoid, the all-important ASVAB test, and even offers tips on what to bring with you. Whether you're getting ready to ship out to basic training or just looking into the different military options available to you, The Ultimate Guide to Air Force Basic Training is an invaluable tool that will help guide you through.
